Friendship, achievement and respect

Netherton Infant and Nursery School is a friendly and thriving school set in beautiful surroundings on the edge of the Peak District National Park. We have approximately 199 children in classes ranging from Nursery to Year 2. Our school vision statement is clear: "our aim is to help the children to reach their full potential, to develop their social awareness and be happy individuals."

Our close-knit team of staff are talented and dedicated both to providing excellent education and to creating a supportive and positive culture. At Netherton, we aim for children to develop awareness of responsibilities towards themselves, others and their environment. The children are actively encouraged to make positive contributions to their own education, school and community in general. We believe strongly in the partnership between home and school and want families to be actively involved in supporting children's learning and the school.

In September 2019, Netherton was one of the founding schools of Together Learning Trust. Being part of the Together Learning Trust enables our school to flourish and develop within a supportive school-focused community, where the expertise of those, who have a hands-on understanding of our children, lead the way forward. We've benefitted from the support of the central team, in business, finance and operations and improving our school facilities with our fantastic new play areas.
