Telferscot is a popular school in Lambeth, located between Balham and Streatham, with a strong sense of community. We are an oversubscribed, two-form entry school with a nursery, recently rated Outstanding in all areas in our February 2025 inspection. Our school is warm, welcoming and inclusive, and we work hard to ensure all our children reach their full potential. We pride ourselves on being an active school that offers numerous opportunities beyond the National Curriculum for children to develop their own interests and skills.

We value the diversity in our community and are committed to having a workforce that reflects this. The successful candidate will have a strong interest in social inequalities and their potential impact on education; be able to think creatively and innovatively; be keen to learn new skills; be committed to anti-racist practice and contributing to meaningful change.
