A bit about our school...

Myatt Garden is a vibrant and creative two-form entry primary school in Brockley. There are 388 children on roll, including our nursery. The school serves a very diverse community with our pupil premium children making up about 20% of our roll and 61% of our pupils belonging to global majority groups.

We place a high value on a broad and balanced curriculum which ensures children are passionate about learning and ready for future challenges. We have a strong shared vision where all our children are encouraged to **enjoy and excel at learning and life**. We have created a vibrant and enriching learning community where children, staff and families are valued, included and respected, and where all are encouraged to develop and achieve their potential and make a contribution.

We believe in the ability of every child and our mission is to create an environment where children have:

- ◆ the learning and social skills to succeed and contribute
- ◆ the confidence, enthusiasm and self-belief to achieve, create and participate
- ◆ the curiosity and passion to problem-solve, take risks and be ambitious
- ◆ and a sense of social responsibility that makes them team players, great friends and active citizens

“ I want to send a heartfelt THANK YOU to all those teachers, TAs, PTA members, volunteers and support staff who make our school function in an age of austerity. Myatt Garden Primary literally turned my girls’ lives around.”

“ Myatt Garden has been more than a school, a place where a real community was allowed to grow, where not only the children but their whole family felt a real sense of inclusion and support”

Myatt Garden is a popular school and highly regarded in the local community. Pupils and parents consistently report that they are proud to attend the school.

Like all Lewisham schools, we have signed Lewisham’s Race Equality pledge to tackle race inequalities in education. In order to move from pledge to practice, we have made anti-racism central to our school improvement plan for 2021-22 and envisage this focus continuing for a number of years.

Our last Ofsted inspection was in 2018 where we remained a good school. We are categorised as a high performing and self-improving “green” school by the Local Authority.

Outdoor Play and Learning (OPAL)

One fifth of the school year, the same amount of time allocated to core subjects such as Literacy or Numeracy, is allocated to play in our school. Our playtimes have significant educational, happiness and wellness value.

At Myatt Garden, we have learnt that the need to play and the fundamentals of what makes a good play environment are universal, but the ability of our organisation to provide for the needs of children depends on our values and priorities, combined with our willingness and capacity to grow as individuals and as a team.

We have seen just how much of an impact improving our play provision has already made to our school. We are not just talking about our playtimes being a bit less bother or about our children being a bit happier. We are talking about a cultural recognition (a need that is fundamental to the physical and mental wellbeing of all children) of the importance that freely chosen play has on every single child.

Our vision is that every child in our school has an amazing period of sustained high quality play every day, with no exceptions. If one child is not enjoying playtimes, then things still need improving. That's where our play team comes in – supporting and enabling (but not directing or leading) each child's play experience each day.

Our goal is that, regardless of personal identity, ability or age, every child at Myatt Garden should have access to outstanding play opportunities every school day of their lives. We hope that you will become part of this story and work with us to realise this vision.
