

June 2023

Dear Candidate,

Many thanks for your interest in our teaching role at Overthorpe C of E Academy. I do hope you have the opportunity to come and look around our school over the next couple of weeks as I really can't do it justice in a letter or on the website.

Overthorpe C of E Academy is a fabulous place for the children of our community to learn, be inspired and enjoy every day at school. Our staff take a pride in providing our pupils with the best learning opportunities so all our children can achieve and make great progress through a purposeful, engaging curriculum that motivates all.

What we want above all is someone who genuinely puts the children first and is positive and enthusiastic. We have fantastic relationships with our families and need someone who can empathise and support the diversity within our school community to ensure inclusivity.

As part of our ongoing development as a school, a successful candidate will continue to bring creativity, rigour and purpose to our curriculum to ensure that all our children have access to a curriculum that they can be proud of and enables them to succeed.

This is an exciting opportunity for anyone who has high aspirations and wants to be part in taking the school to the next stage of its development.

I look forward to meeting you soon.

Best wishes

Sarah Walker

Interim Headteacher
