Transforming Lives

Dear Applicant,

It is a privilege to introduce ourselves as Acting Principals of Fullhurst Community College and to thank you for expressing an interest in working with us. We are proud to serve a diverse community of over 1275 students, aged 11-16 years, on our two large campuses in south west Leicester.

As a school we passionately believe in making a positive difference to the lives of our students who come from one of the most deprived communities in the UK. With almost 50% of our students from disadvantaged backgrounds, it is imperative that all our staff work together to improve the life chances of the students that come to our school. Within our context the progress students make at Fullhurst is exceptional, something which was recognized in our most recent Good Ofsted inspection which states; "There is a clear sighted focus on improving GCSE outcomes, combined with a deep-seated moral commitment to serving the needs of the young people in the area, especially the most vulnerable."

As a school, we are very proud that in recent years we have been recognized as Department for Education Pupil Premium Secondary Regional Champion, Leicester Mercury School of the Year, Healthy Schools of the Year and were shortlisted for the Pearson's 2018 National School of the Year.

Due to both the success and the popularity of the college, Fullhurst has been expanding in student numbers over the past three years. At the start of the next academic year our expansion in numbers will be complete and we will accommodate 1500 students across our two sites. Our recently built Fosse Campus, is the base for Years 7 and 8 and over the road our Imperial Campus, is the base for Years 9,10 and 11.

If you want to be part of our continued success and believe in improving the life chances of young people from disadvantaged backgrounds, we look forward to receiving your application and accompanying letter explaining why you are a suitable applicant for the position. If you have any questions please do not hesitate to contact the college on 0116 282 4326 or via email recruitment@fullhurst.leicester.sch.uk.

Unfortunately, at present we cannot arrange visits to the college, but there are virtual tours of both sites on our website.

Thank you again for expressing an interest in joining our team of amazing staff at Fullhurst.

Yours faithfully,
C Bailey and C Heal

What staff have to say about our school

"Since joining as a fresh-faced NQT in 2012, I have seen Fullhurst go from strength to strength. The staff working here are an incredible team, which is reflected in the results, which continue to improve year on year. I have had the pleasure of teaching a diverse range of amazing young people at Fullhurst, many of whom still have strong ties to the college and keep us updated on their successes. Hearing about these positive outcomes is so rewarding and a big part of why I am still enjoying my time here six years later. I am proud to be part of the team as the college expands and very excited to see what happens in the future." **Mr T Jones**
Fosse Campus Leader for Communications

"I started working in education in 1992 as a teaching assistant in a primary school. In 1994, I began working as a TA at a secondary school mainly with two students with SEN, this was a very unusual role at the time. When the students left I became a science technician at the school. I joined Fullhurst Community College as a science technician in 2005. I have seen lots of changes over the years, for the better. I have been through several Ofsted visits with the college attaining higher outcomes each time. Working here is very rewarding, the staff are a great team, working together for the benefit of our students both academically and in their own personal development. Expectations of students are high and staff work together to help them achieve their best. Fullhurst is also a fun place to be!"
Miss T Marlow *Science Technician*

FULLHURST COMMUNITY COLLEGE

What staff have to say about our school

"I joined Fullhurst Community College straight after a successful School Direct programme and completed my NQT year here. Fullhurst have a fantastic NQT programme where you gain outstanding support to help you develop to become the best teacher you can. Two years later I was fortunate to be offered the position of Head of Physical Education. The reason I applied to work at Fullhurst is their ethos of transforming lives. I believe that as a teacher, you can provide every student with equal opportunities so that they can reach their full potential and that is exactly what Fullhurst offer. Working with a variety of students from completely different backgrounds, I find to be very rewarding and enjoyable. Every day something new can happen which keeps you on your toes! I love working here because you feel like you make a real difference to our students' lives in both their academic and personal development." **Miss M Bird** *Teacher of PE, Year 10 Standards Leader*

"I joined Fullhurst in 2014 as a Curriculum Leader in the Mathematics & ICT Faculty. I have been supported effectively throughout my time at the college which has allowed me to professionally develop quickly as an individual and enabled me to make a bigger impact on the outcomes of our students. It is clear that Fullhurst is relentlessly driven by a clear moral purpose of improving the life chances of all of our students. This is done not only through the curriculum we deliver but the huge variety of extra-curricular opportunities on offer. I am proud to be a part of the positive impact that Fullhurst Community College has on students, staff and the community". **Mr S Willcock** *Deputy Principal*

"I started working at Fullhurst Community College as the Standards and Progress Leader for Maths and ICT in September 2016. Having worked previously as a second in department at a different school in the city, I was ready to influence students' lives on a wider scale and this seemed the best opportunity to do so. When I stepped into Fullhurst Community College, I knew that this was where I wanted to work. The college's goals fall in line with my personal goal as a facilitator of learning, which is that 'every child irrespective of their background has the right to achieve and do well to the best of their capability'. The belief that teachers have in their students is the driving force behind our success. Students know that you genuinely want them to do well, and this dedication from both parties brings about the brilliant results the college continues to achieve. Staff development is also at the forefront of the leadership team and at Fullhurst I have been given opportunities to embark on courses to improve my leadership skills. Students at Fullhurst genuinely want to do well and the college provides them with the environment to do so. It is amazing to be part of the success story of a college which improves the lives of students in their community, giving them a chance to stand tall as equals with students from all over the country." **Mrs V Adeniyen** *Curriculum Leader Maths*
