Dear Candidate,

I am delighted that you are considering becoming a member of the **QUEST** Team. Here we all lead to secure a place for **Learning**, **Innovation** and **Opportunity**, and we seek those who have determination for success, a thirst for continued learning and a drive to be relentlessly ambitious for the students and communities they serve. Here we make a difference and transform lives.

In this pack, I have set out what makes us unique in the educational landscape, defines our success as thriving digital learning communities, and captures our forward thinking and research-led rigour of implementation. We think outside the box here. We listen well and we are clear about our vision for education; a blend of student agency and digital technology for delivery. Here the talent drives the technology. We have created a culture of shared ownership, in partnership with our schools, where we embrace challenge as teams and ensure our core moral purpose is at the heart of all we do. Our Spirit of Purpose is at the heart of all we do.

If you deliver exceptional educational outcomes for the children and young people in your care, have the inner determination to secure success for all and relish the chance to create with us, we would be delighted to hear from you.

We harness the personalised support of an Artificial Intelligence learning platform and digital devices on a 1:1 basis for all aged 7 and above. We all lead learning in our Trust and all staff are Apple Teachers.

The curriculum is complemented by our coaching approach to develop student agency which promotes life skills of mental toughness, critical thinking, and communication. As **Pearson National Award Winners for Digital Innovation 2019**, we are proud to be leading the way by creating and shaping the next phase of education

Together we will ensure they thrive.

Together we are stronger.

Our staff members are committed, patient, resilient, reliable, and reflective

Our staff deliver high-quality teaching, hold their colleagues in high regard and display the highest level of professionalism. With honesty and care, our staff will leave no stone unturned in the pursuit of excellence. They are scrupulously honest and act with integrity, deal with students, parents and staff with respect, demonstrate passion and pride, are prepared, punctual and polite, and make every day matter and every student count. If you are as extraordinary and have the same skill set, we want to hear from you.

We're passionate and committed to the development and education of our students

Our children and young people are fearless, ambitious, positive, aware, compassionate, inquisitive, and use their mistakes to grow. They feel safe, have the confidence to explore and share their ideas and take ownership of their learning.

Our pupils and students think of others before themselves and treat their peers with respect and honour. They take pride in their work and want to affect change within the world around them. With resilience and collaboration, our pupils and students will tread the steps to success and become lifelong learners. They value every lesson and every day, respect themselves, each other, and their communities, are polite, prepared, and demonstrate a sense of pride.

How we will meet the demand and ensure high-quality teaching and learning

Our curriculum is designed to lead the way in a new era of learning. We are a teaching school for Century Tech, a cutting-edge *Artificial Intelligence Learning Platform*. Our experience tells us that our pupils and students are able to close their knowledge gaps faster and more consistently through using this diagnostic learning platform, whilst being supported to overcome challenges and develop critical thinking with our blended approach of coaching support. This is what we all require in life, not simply learning, and our children and young people need to have this inner resilience to support their learning and life chances. At **QUEST**, we will provide this bespoke support.

At **QUEST**, learning will embrace creative and innovative approaches that engage pupils and students, utilising modern technology and virtualisation to maintain pace and interest. We work 1:1 with students, using iPads and as an Apple School, our teachers strive to make the most of your time, skills, and expertise. Our Trust's digital strategy, *recognised by Pearson as Silver Award Winners for Digital Innovator of the Year*, is evidence of our commitment to excellence for all. This approach, outlined below, is partnered with our life skills curriculum and approach to student agency within all schools in **QUEST**.

This blend of approaches to learning provides our children and young people and staff with a readiness for the professionalism of the workplace, a way of establishing learning habits for life, and the security of self-motivation and mental toughness to enable all to thrive.

Working for us, we want you to embody the essence of success, in its many guises and look forward to your talents and expertise being added to the collective group for the benefit of all.
