

Candidate Brief

Named Pupil Teaching Assistant

Welcome

Thank you for the interest in this post. EQUA Mead Learning Trust is a family of like-minded schools, that collaborate to provide mutual support, share best practice and learn from each other, whilst retaining and developing each school's individual and distinctive character. We believe every child has the right to an inspiring and fulfilling education and we seek to improve the life chances of all those we serve; therefore, we make it our mission to give **Every Child, Every Chance** of success.

At EQUA Mead, we are an inclusive, passionate and forward-looking educational organisation. We are a Trust of seventeen primary schools, two secondary schools and eight nurseries, all based in Wiltshire. In addition, we have three additional schools joining us in September 2025. Across our schools, we also have four Resource Bases that provide specialist education to children and young people with complex needs.

We believe in the power of education to transform lives and shape a brighter future. We are dedicated to fostering a strong sense of community where everyone works together to achieve their very best. At all of our schools, we do all we can to enable each child and young person to realise their full potential and to develop positive social and moral values.

We understand that successful schools are rooted in their local community. We respect and value the individual nature and ethos of each school while knowing we are more effective when we work together and support each other. We are a mixed Trust that benefits from both church and non-church-based schools and we actively celebrate this diversity. We are highly inclusive and collaborate closely to promote a culture of openness and integrity.

We thrive on providing a wealth of support to schools and seek to empower school leaders. Our CPD, NPQs, ITT, networks, training, research programmes and range of courses underpin a comprehensive development programme for all staff, whilst ensuring wellbeing is at the centre of all decision making.

We have lots more information about EQUA Mead on our website (www.equamead.org), however, If at any stage, you would like to find out more, please do feel free to get in touch.

At All Cannings, we learn what matters. Our creative approach to the curriculum makes learning fun.

We have a responsibility to deliver the highest possible standards across all areas of school life. I believe that our children will reach their personal, social and academic potential during the time they spend with us, laying the foundations for their future. Success will look different for each pupil and therefore needs to be measured and recognised in a variety of ways, both for individuals and for the school. Our personalised learning and creative approach to the curriculum makes learning challenging and fun which encourages pupils to think and do their best. This is driven by our passionate team of teaching and support staff who place great emphasis on ensuring your child's needs are met, their abilities are understood and their aspirations are encouraged.

We are committed to ensuring all our children thrive during their time at All Cannings and that they leave prepared for their future success at secondary school and beyond.

Children learn best when they are actively involved and enjoying school. Through our curriculum we aim to plan and provide a depth and breadth of exciting learning activities, experiences and opportunities through daily teaching, visitors to school and trips and visits, both locally and further afield. This complements the learning that takes place out of school including at home.

We are an inclusive school with a strong tradition of working with parents because we believe that education is a partnership between home, school and the child. We encourage and welcome parents into school to achieve this in a variety of ways. As a church school, we are part of the Salisbury Diocese. We want all children to know they are valued and understand they have a place in a Christian school community, regardless of their own personal faith or beliefs.

Safeguarding in our Trust

Keeping our children safe is of paramount importance to us. You can read full details about our approach to safeguarding and child protection on [our website](#).
