Newlyn School are looking for a warm and positive Nursery Practitioner to join our team, who has a calm and nurturing yet aspirational mindset. Due to the recent merger of Stepping Stones Nursery, with Newlyn School, and our rapidly growing intake, we are looking for a dedicated and skilled practitioner to support the growth of our pre-school setting. The appointed candidate will be flexible and willing to engage with all team members, having the hearts of our wonderful learners at the centre of everything we do. Experience in planning purposeful learning experiences for children from the age of 2 is desirable and a willingness to learn and grow professionally is also a positive attribute. Experience working with children with additional needs is essential, and a desire to champion all children ensuring they can always be the best they can be. We are looking for someone with a positive attitude who has creativity in their ability; to be able to design learning opportunities, making them accessible to all children and showing adaptability, dynamically moulding our provision to meet the personalised needs of all of our children. Our children love experiencing our onsite Forest School and somebody with the relevant qualifications to support these sessions would be desirable. A knowledge of child development in the Early Years is essential and we hope to find a Nursery Practitioner that can inspire the next generation of children at Newlyn School.

Welcome to Our School

This information pack will provide you with an insight into our school and offer some practical information which will be of use to you as a prospective member of our school community.

I would like to warmly welcome you to Newlyn School and Stepping Stones the pre-school at Newlyn School. We are a school that values the qualities in everyone, and we celebrate the strengths that our wonderful children bring to our vibrant and inclusive school community.

At Newlyn, the children are the beating heart of our school, and we work to ensure they are happy, confident and have extensive opportunities to prepare them for their successful futures after Pre-School and Primary School.

Our staff are caring, dedicated and passionate about getting the very best from all children, believing that with effort and high aspirations greatness and excellence can be achieved. We are a school that embraces learning through mistakes, harnessing strength in trying again and building resilience with a positive 'can do' attitude. We encourage children to be masterful in their learning and develop their motivation to be life-long learners with a thirst for adventure.

At Newlyn School, we actively promote a positive learning environment that inspires and enriches the learning experiences for all children. Through our engaging and carefully crafted curriculum design, we ensure that all children can foster a passion for learning and curiosity that will help to continue to develop their high aspirations whilst building a lifetime of memories.

We believe in ensuring that children receive a well-rounded curriculum showcasing their individual talents, nurturing these to ensure that all children experience success. We are particularly passionate about Art, Music and Sport. Many of our children have taken the opportunity to learn an instrument and take part in a wide range of sporting activities of which we have many successes. Here at Newlyn we are also very fortunate to run some wonderful after school clubs that reflect the interests of all of our learners. We also run a Wrap around care facility running from 7:30am until 5:30pm, which is the social hub of the school. This service is run by our dedicated staff team, providing opportunities that all of the children love; including their delicious and nutritious meals lovingly prepared by our onsite cook.

We have built strong links with Newlyn Art Gallery and are lucky enough to have pieces of Art from the Arts Council collection displayed in our school. Newlyn School is a truly inspirational learning environment!

We strongly believe in outdoor learning and all of our children benefit enormously by being so close to beaches and woodland. All children access our Forest School provision and this is a popular addition to their curriculum, with Beach School soon to follow from September 2024. Teachers seek opportunities to learn in inventive and purposeful ways to bring the learning experiences to life inside and outside of the classroom. We also believe that our children need to be given the opportunity to travel further afield to experience life outside of Cornwall. Such opportunities can be seen with children travelling to destinations such as Bristol and London as part of their learning of the world around them.

We believe in building strong relationships with parents, the local community and the other schools in the Truro and Penwith Academy Trust. We firmly believe that education is a partnership between home and school striving for active engagement towards our shared goal of inspiring our children to be the best they can be.

Please do come and visit us to see the wonderful learning environment that is Newlyn School. We would be delighted to show you around!

Our Curriculum

Vision Statement:

Newlyn School is a caring place where the individuality, gifts and talents of all children and adults are nurtured. In partnership with the whole school community, we seek to provide an education of the highest quality, promoting respect for each other and the wider world. We aim to foster aspiration, resilience and independence in our young people so that they are fully equipped to take on life's challenges. The children's happiness is at the heart of all we do as we strive to ensure all children meet their full potential. We work together with the aim that everyone can be the best that they can be in everything they do.

Intent:

Newlyn has a holistic philosophy of education. Our broad and balanced curriculum builds on the skills, knowledge and understanding of all children, providing them with life skills and aspirations to become good citizens of the future.

Implementation:

Our curriculum incorporates the statutory requirements of the National Curriculum 2014 and other experiences and opportunities which best meet the learning and developmental needs of the pupils in our school. The curriculum supports them with their academic, social and personal development.

Impact:

Children are provided with engaging experiences and develop skills that prepare them for the future and there is full coverage of the National Curriculum.

Outdoor learning

At Newlyn, we believe that children need to have a connection with their local area and nature. Staff plan learning opportunities within their topics to get children outside in our wonderful school grounds as well as our local environment, around Cornwall and beyond. We are developing the use of Forest School within our curriculum and have lots of exciting opportunities for new staff to become involved in new initiatives.

Safeguarding

TPAT is committed to safeguarding and promoting the welfare of children and young people and expects all staff, workers and volunteers to share this commitment.

Shortlisted candidates will be required to complete a Safeguarding Self-Declaration Form as part of their application. Successful candidates will be required to complete a Disclosure and Barring Service (DBS) application and Health Assessment form as part of their pre-employment administration. The amendments to the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (2013 and 2020) provide that when applying for certain jobs and activities, certain convictions and cautions are considered 'protected'. This means that they do not need to be disclosed to employers, and if they are disclosed, employers cannot take them into account.
