Our school values

Lowther is a vibrant primary school, where children grow and learn with confidence, supported by the Lowther School Family. Strong relationships based on respect and trust are at the heart of life in our diverse Lowther community. Our children make creative, inquisitive and happy learners, ready to explore, to challenge themselves and take risks. Children learn determination and resilience through shared experiences inside the classroom and adventures beyond it. We take pride in striving for accomplishment, in academic and creative achievements, performance and sport. Dedicated inclusive support and encouragement from adults and their peers enables all Lowther pupils to discover and develop their own strengths and interests. We are proud that Lowther leavers are confident, independent children, respectful of others and ready for the next stage of their education and the world of tomorrow.
