## Nurture Teacher

**Pay Scale: M1 £25,714 to U3 £41,604 to be confirmed.**

A fantastic opportunity has arisen to join the dynamic staff team at West Park School in September 2021.

We have an exciting position for a qualified teacher, dedicated to working with pupils who demonstrate a wide range of educational, social and emotional needs. The position is to work within our nurture unit – providing alternative provision - in the heart of our mainstream setting and supporting pupils to achieve their educational goals, on a one-to-one and small group level. The ideal teacher will have a passionate interest in working with our most vulnerable pupils, who may also demonstrate significant emotional barriers to learning. They will have a creative, dynamic and calm approach to supporting pupils with all areas of the curriculum and the ability to engage well with all pupil profiles. Experience of working with pupils with SEND, as well as teaching literacy would be beneficial.

West Park is an 11 – 16 school based in Spondon with 1409 pupils currently on roll. The school prides itself on exceptional pupil achievement, dynamic teaching and learning and excellent behaviour and engagement. We have a committed and talented staff team who work cohesively to get the best for all of our pupils. The pupils themselves are focussed, polite, positive and determined to take full advantage of the range of opportunities provided to them.
