OCCASIONAL SPECIALIST SUPPLY TEACHER
Daily rate dependent on experience: M1-UPR3

This is an exciting opportunity to join a successful and supportive team of specialist teachers who share a love of teaching and learning. We are seeking to appoint enthusiastic and knowledgeable specialist teachers to our supply pool.

The post will be of interest to newly qualified, as well as experienced, teachers who wish to develop professionally and personally in a supportive and happy environment. The team works exceptionally well together, ably led and supported by an experienced leadership team. There are schemes of work in place and the departments are well-resourced.

Results at GCSE and A Level are consistently high, with many students going on to university and higher level apprenticeships.

Waddesdon School is an oversubscribed all ability 11–18 school, set in rural Buckinghamshire. The school is 30 minutes away from Oxford and also within easy commuting distance from Milton Keynes.
