If you are a forward thinking and dynamic teacher looking for a fantastic career opportunity, then we would like to hear from you. Castle Hill Academy aims to provide outstanding opportunities for staff and pupils alike. Castle Hill is a popular two form entry primary school, situated in the Royal Borough of Kingston with excellent transport links.

If you are someone who;

- puts the children's needs and interests as their priority,
- is committed, flexible and a good team player,
- is keen to develop your own expertise and share good practice with others,
- is creative, innovative and able to think outside of the box,
- is able to inspire, motivate and challenge others (pupils and colleagues),
- has strong knowledge of the EYFS curriculum,
- has high expectations of pupil achievement and does not set limits on learning,
- has a good sense of humour,
- is committed to making a positive contribution to the wider life and ethos of the school, then we are the place you need to be.

We can offer you;

- enthusiastic pupils who are eager to learn,
- excellent learning and professional development opportunities,
- a supportive, friendly and collaborative working environment,
- outstanding career progression opportunities,
- an enhanced salary package.

Visits to the school are warmly welcomed and encouraged, depending on government guidance. If we are unable to provide in person visits, we can provide a virtual tour of our facilities and a member of SLT will be happy to speak to you should you have any questions. Please telephone the school office to make an appointment. An application pack is on the school's website

Castle Hill Primary School is committed to safeguarding and promoting the welfare of children and we expect all staff and volunteers to share this commitment. We are an equal opportunities employer and we welcome applicants regardless of age, gender, ethnicity or religion

These posts are subject to a medical and an enhanced DBS check. Previous employment references will be taken up at shortlist.
