Teacher of PE - Temporary
Full time – MPR/UPR

Required immediately an exceptional, ambitious and enthusiastic Teacher of PE to join an outstanding PE department. We have an OFSTED rating of good (most recent OFSTED inspection March 2019). HTC is a 'school where students' academic achievements and their personal development are regarded as equally important'. 'Parents are overwhelmingly positive and appreciate the care and support their children receive'. The College is at an exciting stage of its development and we welcome applications from qualified Teachers who want to be part of a consistently improving College.

We are looking for someone who will add to the strong team and contribute to the high standards of PE. You will be responsible for planning and delivering high quality lessons and achieving excellent results for the students. The College has excellent facilities for teaching PE that include a new artificial grass pitch, sports hall facilities, interactive gym and weights room. You will be expected to contribute to all aspects of the Physical Education curriculum and our strong extra-curricular provision.

This post would suit an ECT or experienced Teacher with a passion for this subject. The College is committed to professional development and will seek, where possible, to support staff in their ambitions to further themselves. The post is short-term; however, it offers the opportunity to provide invaluable experience working in an outstanding department.

If you wish to discuss this post or make an informal visit please contact Cassie Whelpton Subject Leader - PE, by e-mail at cassandra.whelpton@horndeantc.hants.sch.uk

Teaching application forms and further details are available from the College website.

Closing date for receipt of application: 12 noon Wednesday 20 October 2021
