Welcome to Featherstone Primary and Nursery School

Thank you for your interest in joining our school community.

I am incredibly proud to lead Featherstone Primary School - an outstanding school in all areas - but what truly makes our school special is the strong sense of care, community and belonging at the heart of everything we do. Our #FeatherstoneFamily and #TeamFeatherstone ethos is something we live every day: we value one another, support each other and work together in a happy, caring environment to achieve the very best for our children.

We are a vibrant, inclusive and high-achieving school, where high expectations are matched by genuine care and respect. I believe that when staff feel supported, trusted and valued, they thrive - and so do our pupils. That is why staff wellbeing is a real priority and why we are committed to creating a positive, collaborative working environment where people feel listened to, happy, motivated and proud to work here.

This is a key and rewarding role within the school, offering the opportunity to work closely with me and the leadership team, while playing an important part in supporting the effective governance of the school. It is a varied and fulfilling position and you will be working closely with an experienced, dynamic, warm and friendly team.

You will be joining a friendly, dedicated and supportive staff, where people work hard, support one another and celebrate success together. I am looking for someone who genuinely shares our ethos and values, cares about people and wants to be part of something special.

If you are looking for more than just a job — if you want to feel valued, supported and part of a happy, successful team where we prioritise and care deeply about your workload, work-life balance and wellbeing - then I would be delighted to hear from you.

I very much look forward to meeting you and hopefully welcoming you to our #FeatherstoneFamily.

Des Lee
