

Lavington School

'We believe that every child should be happy, healthy, safe and achieve more than they thought possible; at school and beyond

About Us

Lavington is a high achieving school that is imaginative and creative in its approach to teaching and learning and is keen to look for continued and sustained improvement. We are fully committed to providing high quality education for children whatever their age. We benefit from a wonderful rural setting, surrounded by beautiful and historic countryside. The majority of our students live in nearby villages, and thrive in our supportive, positive, nurturing environment, achieving academic excellence for all.

The school enjoys a very good reputation within the community and throughout the county and continues to demonstrate the highest standards of achievement. Much of this success is due to the active partnership of home, school and community, which allows a happy working atmosphere to prevail, where hard work and good behaviour is the expectation. Our students are happy and well-motivated and respectful. They are nurtured through superb individual care, a culture of high aspirations, an extensive leadership and enrichment programme and recognition of their unique talents.

This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful applicant will be subject to an enhanced DBS check.

We may interview candidates ahead of the closing date so early application is advised. The School reserves the right to interview and appoint prior to the advertised closing date.
