

RAINHILL
HIGH SCHOOL

RainhillSixth

Science Faculty

Faculty Vision

'A place where students love science, staff love teaching, and academic progress is outstanding'.

Faculty Core Values

- Engagement
- Challenge
- Resilience

Faculty Aims

- To provide challenging, engaging lessons, where pupils are trained to be curious and resilient.
- To share well-planned resources, a supportive culture, and hold pupils/each other to the highest standards.
- For all pupils to make positive progress; increasing KS5 retention and future scientists.

Facilities

The faculty is housed across 2 buildings with all full-time teachers having their own laboratory. There are two classrooms, 3 laboratories and an IT suite in the sixth form building and 7 laboratories in B block.

2021 GCSE (CAG) Results

2021 CAG Science Measure	
Achieving 2 x Sci Standard Pass	%
Achieving 2 x Sci Strong Pass	%

Trilogy Science	
Trilogy 7+	10%
Trilogy 4+	68%

Separate Science	
Biology 7+	74%
Biology 5+	98%
Chemistry 7+	66%
Chemistry 5+	96%
Physics 7+	70%
Physics 5+	100%

2021 A Level (CAG) Results

2021 A2 Results	
Biology A*-B	50%
Biology A*-E	100%
Chemistry A*-B	63%
Chemistry A*-E	100%
Physics A*-B	71%
Physics A*-E	100%

2019 GCSE Results

2019 Science Measure	
Achieving 2 x Sci Standard Pass	61%
Achieving 2 x Sci Strong Pass	43%

Trilogy Science	
Trilogy 7+	7%
Trilogy 4+	56%

Separate Science	
Biology 7+	35%
Biology 5+	92%
Chemistry 7+	55%
Chemistry 5+	95%
Physics 7+	35%
Physics 5+	95%

Staffing

Katie Robinson	Head of Faculty
Lyndsey Gordon	Head of Biology
Nicky Hesketh	Head of Chemistry
Paul Hurst	Head of Physics
Devon Hazelden	Head of KS3 Science - maternity
Rupert Shoebridge	Key Stage 3 Progress Leader
Neil Fairhurst	Science Teacher (Part time)
Rebecca Kerley	Science Teacher
Colin Deane	Science Teacher
Bethany Sorensen	Maternity cover
<i>Vacancy</i>	<i>0.5 FEFA</i>
Rebecca Harper	Science Teacher
Felix Shin	Head of KS3 Science maternity cover
Alex Hitchen	Science Teacher
Katherine Chandler	Science Teacher
Ben Sharman	Science Teacher
Jon White	Senior Technician
Lynette Scattergood	Technician (Part Time)

Curriculum

KS3 (Y7-9)

Students are taught set on ability based on KS2 Maths data and internal assessment data. They have 3 lessons of Science a week and have one teacher for all three sciences. We follow departmental schemes and share the planning of all resources, to ensure workload is managed and resources meet the highest standards. Pupils rotate round the three sciences, and are assessed with a short, written assessment at the end of each topic, and 1 longer summative LP assessments at the end of the year. All assessments are created and tracked centrally to ensure consistency across the faculty.

KS4

All GCSE Science is taught to the AQA specification, and formally begins in Year 10. 3 sets in Y10 and 2 sets in Y11 currently take Single Sciences (Biology, Chemistry and Physics), for which they gain 5 extra timetabled hours a fortnight. The remaining pupils follow the AQA Trilogy pathway; these pupils are set based on ability and have also one teacher for each of Biology, Chemistry and Physics.

KS5 Science at Rainhill Sixth Form Centre - Science Academy.

In year 12 and 13 the three sciences are popular and successful options. In addition to the traditional A-levels, BTEC level 3 Applied Science is offered and its vocational, work based, focus has proved successful and engaging, allowing more students to carry their Science studies into the Sixth Form.

In the last two years alone, we have seen two of our Science students progress to Cambridge University to continue their Science studies, and a number of others embark on Science courses at Russell Group universities.

All sixth form students become part of the Rainhill Sixth Form Science Academy which allows students to enhance their university applications through adding to their Science experience through a range of visits to industry, master classes, EPQ, extended research; and have work placements with key science-based employers. Recent activities have included a visit to CERN in Geneva, a Genetics workshop at Chester Zoo and a visiting Forensics workshop. This is a crucial element in helping to recruit and retain the best of Y11 at the school and beyond to enroll in Sixth Form Science subjects.

If you have any questions about the post or the Faculty do not hesitate to contact me.

Miss Kate Robinson
Head of Science
