Dear Candidate,

I am delighted that our advert has piqued your interest enough to find out more about Dovers Green.

At Dovers Green we aim to help every child to achieve their greatness by making excellent academic, personal, social and emotional progress so that they can thrive in the next stage of their lives.

Staff wellbeing and encouraging a good work life balance is important to us and whilst only token gestures, we offer incentives such as 'birthday afternoons' as recognition of the extraordinary work staff do to support the children at Dovers Green.
