## Community Primary School

### 21 Reasons for you to join our team

We asked our staff for 21 reasons to work at Meersbrook Bank and this is what they told us, in no particular order:

- Our children are amazing and inspire us and each other
- Every day is different
- We are committed to inclusion
- We are unique(!)
- Have a really positive relationship with our community and an amazing fundraising 'Friends' group in FMBS.
- **Everyone** is kind and caring
- We are pushed and developed in our career
- We feel like we are valued professionally but also as people
- Inclusive, supportive team where everyone has a voice
- A great team – lots of laughter
- We are allowed to take risks
- Make a real difference to children's lives
- We like to work with other organisations to develop further
- We go above and beyond
- Our governors care about the school and are helpfully involved
- High expectations of all
- The children care about the staff as well as the other way round.
- We realise when we need to make changes and wise enough to know when not to
- We care about everyone's mental health
- We are having fun, developing a lovely bright environment
- We really make a difference and ignite the spark of learning
