Kineton CE Primary School is a one-form primary school serving Kineton and its surrounding villages and is part of The Stour Federation Multi Academy Trust.

Our school motto is 'Believe, Grow, Achieve' and we strive for every child and adult to reach their full potential whilst developing strong values in line with our Christian foundation. We are dedicated to providing a rich, relevant and engaging curriculum which unlocks the potential of every child, enabling them to believe in themselves, grow as well-rounded individuals and achieve more than they ever felt possible.

SIAMS May 2023 "The vision promotes a deeply held belief in the uniqueness of each individual. This is apparent in respectful relationships, commitment to wellbeing and high aspirations for all in the community."

We were delighted that our recent Ofsted inspection (March 2025) confirmed we have taken effective action to maintain the standards identified at the previous 'good' inspection. The report comments:

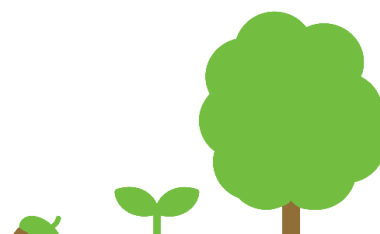

"Pupils thrive here. Dedicated staff know the pupils, their interests and their needs, well. Through this knowledge, care and support, pupils engage happily in their learning. They behave well and take their education and personal responsibilities seriously."

"All involved in the school feel a strong kinship to Kineton. The dedication of leaders at all levels gives direction and purpose to the life and the effectiveness of the school. Staff sing the praises of the way leaders 'grow great people'. This is as true of the pupils as it is of the staff."
