Dear Applicant

Thank you for your interest in our school. I am delighted that you are considering applying for the post of Teacher of Spanish at Haileybury Turnford. This post is initially a maternity cover, but has the potential to be a permanent post due to the expected increase in our school roll and the need for more languages teachers within the faculty.

Haileybury Turnford is a great school to work at and it will provide an exceptional opportunity for the successful candidate to make a real difference to our students and giving them the best possible life chances. This role will provide an excellent opportunity for an Early Career Teacher to begin their teaching career in a very supportive environment, with excellent early-career support, or a more experienced colleague. Staff wellbeing is very important to us.

We are a school on the up and were rated 'Good' by Ofsted in March 2022

It is an exciting time for our school. We continue to make real improvements for our students. I have been Principal at Haileybury Turnford since September 2016 and we are in the process of transforming ourselves into an exceptional school. We are focusing strongly on the quality of teaching and learning in the school, and providing high quality professional development for all of our team. We moved into new accommodation for some faculties in September 2021 and we are working with the Department for Education to re-build the rest of our school over the coming three years.

Languages is very popular with students, and a growing faculty at Haileybury Turnford

We have strong teaching and good student attitudes to their learning. If you join us, you will join a very well led, cohesive and supportive faculty led by the Faculty Leader and a fully staffed specialist team. We require a third teacher to join our Languages team. We also support our students to prepare for Home Languages qualifications, alongside the teaching of Spanish.

Opportunities through our sponsor, Haileybury

The school has been sponsored by Haileybury, the leading co-educational independent school, since September 2015. This partnership has provided us with new opportunities for our students and strong strategic direction through its governing body. There are excellent opportunities for the Languages Faculty to further develop relationships with Haileybury to support our students. Both schools are fully committed to extending this unique opportunity in the months and years ahead. Some of our Key Stage 3 students are taught Latin to GCSE level by Haileybury staff.
