Part time Teacher of Art (with Deign Technology) required for September/January MPS/UPS

Do you want to work in a vibrant, rural 11-18 school, which is in the heart of the Oxfordshire countryside, on the edge of the thriving market town of Banbury? The Warriner School has an excellent academic reputation, both locally and more widely, and we are very proud to be an integral part of the community that we serve. Staff have high expectations for all students and work enthusiastically to continue raising attainment and achievement.

We want to appoint a well-qualified, enthusiastic and dedicated teacher of Art and Design to join our thriving and successful team. The ability to offer Food or Graphics is desirable, but not essential.

Art is part of the ADTF department which also includes Design Technology, Textiles and Food. The department has specialist teachers in each of the areas as well as four dedicated technicians. The ADTF department is a strong and supportive team which is focused on providing a broad, balanced, rich, and challenging education for all students alongside raising standards in both attainment and progress. In KS3 students rotate through a carousel of Art, Textiles, Food, Graphics and Resistant Materials and at KS4 have the option to study GCSE Fine Art, Art, Craft & Design, Product Design or Food and Nutrition.
