About St Bede's

At St Bede's we are proud to serve roughly 1900 boys and girls of all abilities, age 11-18, from the Reigate, Redhill, Caterham, Horley and surrounding areas. This includes over 300 studying academic courses in the sixth form. The school has an Anglican, Catholic and Free Church foundation and we work hard to create an inclusive ethos. Our aim is to ensure that pupils thrive academically, socially and spiritually within a Christian framework.

In January 2017 Ofsted carried out an inspection of St Bede's and judged the school outstanding in every category. The report acknowledged that pupils make exceptional progress in all year groups and in almost all subjects. Disadvantaged pupils and those who have special educational needs and/or disabilities also make rapid progress. The inspection highlighted the teaching in the sixth form as consistently challenging and as a result, students are motivated to learn and achieve excellent outcomes.

Attainment and progress scores at GCSE and A level are consistently above national averages. We are particularly proud of the English and maths results achieved in the new 9-1 GCSEs. Both departments achieved fantastic results at 4 and 7 grades. St Bede's also saw a steep rise in the number of students achieving the English Baccalaureate.

Measure	2018	2019	2022

Our school is committed to the safeguarding of children so all appointments are subject to a satisfactory enhanced DBS check. Only applications made on our School Application Form will be considered; we do not accept CVs or unsolicited testimonials. It is our policy always to request references prior to interview.

Please see our staff prospectus for further information about working at St Bede's.

"A zest for learning permeates the whole school. Teachers' high expectations mean that pupils are ambitious for their own futures and approach their learning with determination and resilience."

Health and Social Care Department at St Bede's

We are seeking a part-time teacher of health and social care to join us from September 2023; we ask applicants to indicate their preferred FTE on their application form.

Please note, applications will be considered upon receipt and as such, this vacancy may close earlier than the deadline stated. Early applications are encouraged.

Health and social care is part of our thriving food and health department, that continues to grow, with one full-time and four part-time members of teaching staff plus two part-time technicians, from September 2023. We all consider teamwork to be an essential component of a successful department. The purpose-built department is situated in the performing arts block, with excellent facilities comprising two fully equipped teaching food rooms and a classroom base for health and social care. All rooms are installed with a projector and a desktop computer. We also have a bank of 32 Chromebooks which are used on a regular basis for non-exam assessment (NEA), coursework and research projects.

The OCR Cambridge National Health and Social Care course is a popular choice at KS4. The specification was updated in September 2022, so the current Year 10 students are studying a different course to the Year 11 students. There are now two externally set NEA tasks during the two year course, worth 60%. There is one written examination at the end of Year 11, worth 40% of the final qualification. The department achieved 59% pass at Level 2 and above, with 31% distinction* and distinction.

The OCR Cambridge Technical Level 3 Health and Social Care Certificate and Extended Certificate courses are taught at KS5. The department achieved two distinction* and three merits in 2022.
