

TEACHER OF MUSIC
Required for January 2022 or sooner if possible
Part time (0.5)
Salary Range MPS1-UPS3 plus Fringe allowance

This is a rare opportunity to join a well-resourced and successful faculty, in a school that sees the value of the Arts for all young people.

Our vision is based around developing world class students who have the belief in themselves that anything is possible. Music plays a part in all our lives and we are looking for someone with the talent, expertise and enthusiasm to use the magic of music to bring out the very best in our students. We have strong uptake at key stage 4 and 5 and pride ourselves on the quality of teaching and learning opportunities we give our students both inside and outside the formal taught curriculum.

The Misbourne is an aspirational and friendly place to work where every student and member of staff is a valued member of our community. Whether you are starting out in your career or looking for your next challenge, our Performing Arts faculty produces excellent results and provides a wide variety of performance opportunities throughout the year. With strong and consistent leadership, you can be assured of a genuine commitment to supporting your day-to-day practice and long-term professional development. This is an exciting opportunity for the right colleague to join us and make a valuable contribution to the life of the whole school. We are an 11-18 school in the picturesque village of Great Missenden in the heart of the Chilterns. We have just over 1000 students on roll including a successful and growing Sixth Form.

We can offer you:

- Well resourced, modern facilities with large dedicated classrooms and practice rooms.
- Students who are a pleasure to teach.
- An experienced, friendly and collaborative team.
- The opportunity to teach this popular subject from Key Stage 3 to Key Stage 5
- A supportive approach to workload that removes onerous marking requirements and prioritises whole class feedback.
- An evidence informed approach to school improvement, only implementing what we feel will make the biggest difference to the lives and outcomes of our young people, mindful of staff workload and well-being.
- A genuine commitment to support your career development through a CPDL programme, described by Ofsted as 'exemplary', and more INSET days than average.
- Your own laptop in addition to a desktop PC in your classroom and the use of tablets for student work
