

Queen Elizabeth's Grammar, Alford

Part-time Science Teacher

Contract Type: Permanent – Part-Time (0.6 FTE)

Salary: ECTS/MPS/UPS

Appointment Type: Term Time Only

Start Date: September 2026

Closing Date: 4 February 2026

Our School

Queen Elizabeth's is a Selective Academy, currently having 565 pupils on roll located in the small, rural town of Alford. We are a very friendly and caring community in which pupils are known and valued individually. The atmosphere is calm, happy and purposeful; standards of attainment, behaviour and dress are high, and we are proud of our reputation as one of the top schools in the East Midlands whilst offering a holistic, supportive approach to education. We aim to provide a broad, balanced, relevant and adaptive curriculum where every student is known and treated as an individual.

Our Sixth Form

There are currently 105 students in our sixth form, with some students (about 10 this year) joining us from other schools. Most Y12 students study three subjects but we tailor our package to every student. We are looking to increase our numbers moving forward.

The sixth form has use of their own house, Norbury, which includes some small teaching rooms, study rooms, ICT rooms and a kitchen.

Leadership and initiative are strongly encouraged. Sixth formers run a variety of clubs and activities, including sports and music.

The Senior Student Leadership Team plays a significant role in the day-to-day running of the school, with the Head Boy and Head Girl attending Governors' meetings. We encourage student leaders to build a meaningful legacy through projects driven by their own interests both within school and the wider community.

Department Summary

The Science department is well-respected within the school. It has a subject leader, five full time specialist teachers, one part time specialist teacher and a science technician. The department has four dedicated, spacious well-equipped science labs; Pupils have access to a range of good resources.

We work to a 25-period week with 1-hour lessons. In Year 7 students study 4 science lessons per week and in Y8 3 science lessons per week. Pupils studying for their GCSES in Y9 to Y11 study 5 or 6 lessons per week and follow either a combined science course, or study for separate science GCSEs.

A healthy number of pupils then go on to study for A level qualifications in Biology, Chemistry and Physics. This is a high achieving department with excellent results.
