We are a school on the up and were rated 'Good' by Ofsted in March 2022

It is an exciting time for our school. We continue to make real improvements for our students. I have been Principal at Haileybury Turnford since September 2016 and we are in the process of transforming ourselves into an exceptional school. We are focusing strongly on the quality of teaching and learning in the school, and providing high quality professional development for all of our team. We moved into new accommodation for some faculties in September 2021 and we are working with the Department for Education to re-build the rest of our school over the coming three years.

Spanish is very popular with students at Haileybury Turnford

We have strong teaching and good student attitudes to their learning. If you join us, you will join a very well led, cohesive and supportive faculty led by the Faculty Leader.

Opportunities through our sponsor, Haileybury

The school has been sponsored by Haileybury, the leading co-educational independent school, since September 2015. This partnership has provided us with new opportunities for our students and strong strategic direction through its governing body. There are also excellent opportunities for the Modern Foreign Languages Faculty to develop relationships with the languages team at Haileybury to support our students. Both schools are fully committed to extending this unique opportunity in the months and years ahead.
