Salary: PS3 **FTE:** £25,133 **Actual (21 hrs):** £12,612.70

Interviews: TBC – (End of August/September)

Start Date: September 2026

We have an exciting opportunity to appoint a part time Teaching Assistant on a 1-year contract. We are a friendly team working with children with a very wide range of SEN, the majority of whom are on a rehabilitation programme following an acquired brain injury. If you have an interest in working with a range of specialist professionals and developing your understanding of SEND then this is the role for you!

We would like to appoint an enthusiastic, versatile and dedicated Teaching Assistant to assist class teachers in the preparation and delivery of 1:1 and small group learning activities for our pupils. This is a great opportunity to learn about Special Educational Needs across a diverse cohort. We have a wide ability range, many of our students will return to mainstream schools and some will need a more specialised provision. Some experience in SEN would be desirable.

The Surrey Teaching Centre is an 'outstanding' medical pupil referral unit specialising in the education of children and young people with an acquired brain injury who are resident at The Children's Trust. Ages range from 2 to 18 years with a very wide ability range. Placements range from 6 to 12 weeks on average.

We are looking for the right person, who can be sensitive to the needs of children and families at a vulnerable point in their lives, and who is enthusiastic about learning new skills.

For an informal discussion or to arrange a visit to the school, please contact the Headteacher: Kristin Hoogland head@tadworthcourt.surrey.sch.uk

This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. The successful applicant's appointment will be subject to satisfactory clearance by the Enhanced Disclosure & Barring Service (DBS).
