Candidate Brief

Pastoral Support Assistant

Welcome

Thank you for the interest in this post. EQUA Mead Learning Trust is a family of like-minded schools, that collaborate to provide mutual support, share best practice and learn from each other, whilst retaining and developing each school's individual and distinctive character. We believe every child has the right to an inspiring and fulfilling education and we seek to improve the life chances of all those we serve; therefore, we make it our mission to give **Every Child, Every Chance** of success.

At EQUA Mead, we are an inclusive, passionate and forward-looking educational organisation. We are a Trust of seventeen primary schools, two secondary schools and eight nurseries, all based in Wiltshire. In addition, we have three additional schools joining us in September 2025. Across our schools, we also have four Resource Bases that provide specialist education to children and young people with complex needs.

We believe in the power of education to transform lives and shape a brighter future. We are dedicated to fostering a strong sense of community where everyone works together to achieve their very best. At all of our schools, we do all we can to enable each child and young person to realise their full potential and to develop positive social and moral values.

We understand that successful schools are rooted in their local community. We respect and value the individual nature and ethos of each school while knowing we are more effective when we work together and support each other. We are a mixed Trust that benefits from both church and non-church-based schools and we actively celebrate this diversity. We are highly inclusive and collaborate closely to promote a culture of openness and integrity.

We thrive on providing a wealth of support to schools and seek to empower school leaders. Our CPD, NPQs, ITT, networks, training, research programmes and range of courses underpin a comprehensive development programme for all staff, whilst ensuring wellbeing is at the centre of all decision making.

We have lots more information about EQUA Mead on our website (www.equamead.org), however, If at any stage, you would like to find out more, please do feel free to get in touch.

As a fully comprehensive school, we are a diverse and vibrant establishment where each student is at the heart of all that we do. We are determined to deliver quality-first teaching, and we have the highest expectations of our students who learn within our safe, nurturing but challenging school environment. We have a strong reputation for academic excellence and pastoral support and, by engaging in our whole-school provision, our students have every opportunity to develop into happy, confident and well-rounded young adults.

Our school's foundations are built on strong relationships with students and their parents or carers. We recognise that pastoral partnerships that are both supportive and collaborative provide the best platform for our students to be aspirational and realise their potential.

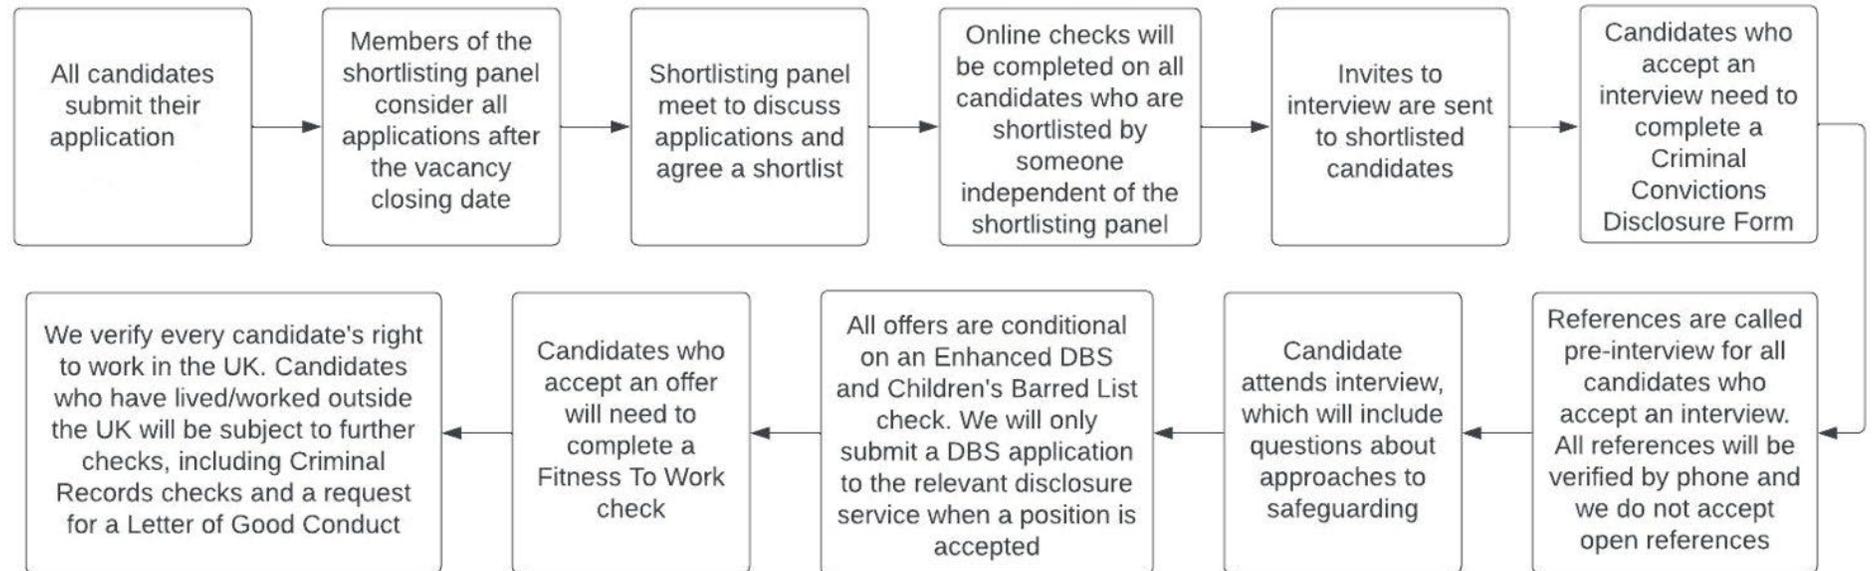

We celebrate personal achievement and those who overcome personal hurdles. We encourage students to engage in opportunities for teamwork, leadership, adventurous, competitive and individual challenge and nurture them to be caring, thoughtful and respectful of others and their environment. We want our students to appreciate other cultures as well as their own community and to be reflective of their interactions with others.

We actively encourage our young people to embrace a whole school life. We provide a rich and broad curriculum, enhanced through a varied extracurricular programme where no young person is hindered from experiences that will enhance their cultural capital due to personal social circumstances. Our staff are our greatest asset. They have high levels of expertise and a tangible sense of vocation. We invest in our staff through our extensive continued professional development programme so that they can be the best practitioners 4 possible for our students.

Safeguarding in our Trust

Keeping our children safe is of paramount importance to us. You can read full details about our approach to safeguarding and child protection on [our website](#).

Our commitment to safeguarding includes our recruitment process, which is outlined here:
