Dear Applicant

Thank you for taking an interest in the post of Pastoral Support Officer at Harbour Vale School.

We are a pupil referral unit, and we educate students who have been permanently excluded or are at risk of permanent exclusion from mainstream education at Key Stages 3 or 4.

We also offer SEMH places at KS4, short term turnaround placements and medical places at both KS3 & 4.

We have a capacity of 38 students, and this is growing each year. The need for specialist and PRU places in Dorset is increasing and with our new school buildings it is possible for Harbour Vale to grow and flourish to support children within our locality.

As a school we joined SAST in November 2019 and officially became Harbour Vale School. It is fantastic being part of a trust who puts children at the centre of everything they do. Having a sense of belonging and working together with so many experienced colleagues, with great CPD opportunities, collaborative working, learning and support mechanisms centrally. Reinforces the benefits of being part of a Multi-Academy Trust.

In recent years, Harbour Vale School had a huge makeover. We commissioned a new build that included a new reception and classroom, as well as internal renovation work, leaving us with a school that is welcoming, friendly and fit for purpose.

We have robust processes of student induction that includes baseline and diagnostic testing upon entry, which allows staff to plan personalised learning from the moment the students arrive with us and supports positive re-integrations.

Our school values and ethos are centred on students to believe in themselves, feel proud of their achievements and successes, and we aim to support learners becoming more respectful, responsible and resilient learners.

Harbour Vale School has intervention programmes and personalised timetables for each student, and we work collaboratively to promote positive outcomes and celebrate every small win.

We are looking to appoint a Pastoral Support Officer to start as soon as possible.

If you are passionate about Inclusive Education, have knowledge or experience of SEMH, mental health and student well-being and are up for a challenge, we look forward to receiving your application.

Yours sincerely

Kelly Knight
Headteacher

INFORMATION ABOUT WORKING FOR SAST

SAST is a multi-school trust, formed in June 2017, with 18 schools across Dorset and South Somerset. We have more than 5,700 students and over 850 members of staff. There is real strength in coming together with a collective responsibility for all the children's development and progress between 0-19 years. SAST has large town primary schools with over 300 children, smaller village primary schools and nursery provision. SAST also has 5 secondary schools, some with a Sixth Form provision. There is a mix of formerly maintained and Church of England schools - both voluntary controlled and voluntary-aided in the Diocese of Salisbury. We believe in preserving Schools in their local community.

Our Schools:

A key principle of the SAST is that member schools maintain their own character, such as church and community status. All schools in the multi-school trust are equal partners and are committed to the principles of collaboration, sharing expertise and resources to enable all partner schools to deliver excellent education for all young people in their care.

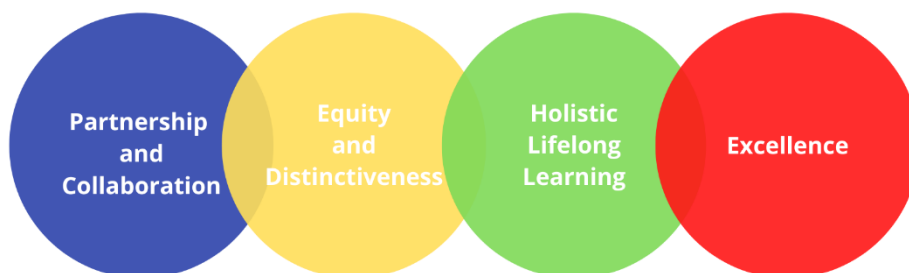

At the heart of SAST is the desire to work in partnership, to collaborate with others and to be outward facing for the benefit of children and staff. The schools have extensive links beyond the immediate area and are keen to extend these further.

SAST works by providing opportunities to share and improve - to develop further our provision as well as supporting the quality of leadership and management. This includes sharing best practice, being creative in maintaining a broad and diverse curriculum, ensuring the care and support is in place for children and families and enabling further staff and teacher development. We also work together on meeting the challenges of funding and the opportunities for financial efficiency, determining for ourselves which services and providers we will use to provide outstanding provision for our children. There is real strength in coming together with a collective responsibility for all of the children's development and progress between 0-19 years.

Delivering educational excellence through aspiration and collaboration.

The priority is to enable every school to continue to provide an excellent education for all our students while protecting their role at the heart of the community, along with our unique qualities and strengths.

There is a balance as to the responsibilities delegated to schools and those that are the responsibility of SAST. The focus is to continually evaluate, improve and develop through strong, effective and accountable leadership at all levels. The aim is to establish clear, simple and effective accountability including slim and streamlined governance.
