About the Academy

CHES Academy is a medical provision academy that provide education for children and young people with complex medical and/or mental health needs which prevent them from attending school. We pride ourselves in providing pupils with access to high quality education, ensuring they are thoroughly prepared for the next stage in their learning journey. Personalisation is the cornerstone of our pedagogy; the curriculum is bespoke and programmes are crafted to meet individual needs which demands a totally flexible and adaptable approach to teaching and learning from all involved.

Our medical provisions provide personalised education through a combination of centre teaching, individual teaching and online learning. CHES has three teaching centres in Cornwall; Glynn House our school base in Truro; our Hospital School room in the Royal Cornwall Hospital and our Education Unit within Sowenna, the adolescent Tier 4 unit in Bodmin.
