Teacher of Girls Physical Education

(with the possibility of subject leadership of PE)

An exciting opportunity has arisen for an enthusiastic teacher of Girls PE to join our forward thinking, highly successful and motivated team, starting in April 2020 to cover a team member on maternity leave. We are looking for an energetic, enthusiastic and inspiring teacher with a real passion for sport and Physical Education. Whilst the school has a relentless focus on high expectations and aspirations, we are proud to provide a happy and nurturing environment, so that as well as maturing into well-rounded, confident young people, our students develop a passion for learning.

We are seeking to appoint a highly motivated Teacher of Girls PE with an ambitious vision for the subject. There is an expectation that the successful candidate will teach across Key Stages 3 and 4 including GCSE PE and BTEC Sport, whilst also maintaining the delivery of specialist PE lessons within our federation primary school. There may also be the opportunity as part of this post to take on the leadership of the department, whilst working closely with the link member of SLT. Applicants would need to teach a variety of sports and take an active role in our extremely popular extra-curricular programme, showing a clear commitment to achieving the best possible outcomes for pupils of all abilities.

The successful applicant should have a record of delivering consistently good to outstanding lessons and have the ability to develop active learning strategies to challenge and inspire all of our pupils. Additionally, they should be able to contribute to, organise, develop and deliver schemes of work, which help promote engagement, excellence, and independence. Applications are welcomed from experienced and recently qualified teachers.

Aylestone School is an oversubscribed co-educational 11-16 school, located in the picturesque Cathedral City of Hereford, adjacent to the Herefordshire Colleges' campus for Further Education, and a 10-minute walk from the city railway station. The school is a popular choice with parents in Herefordshire as it is a small school (450 students) but is still able to offer the breadth, choice and opportunities of larger schools. **Herefordshire Council have recently approved an investment of £13.1 million for Aylestone School for the building of a new sports hall and teaching block to enable the school to increase its capacity to 750 students.** Aylestone School is federated with two primary schools with one Executive Headteacher and a single Governing Body.

The Governing Body are committed to safeguarding and promoting the welfare of children and young people and vulnerable adults. The successful candidate will be subject to an enhanced disclosure through the Disclosure and Barring Service and additional recruitment checks.

Should you wish to visit the school or talk to key staff prior to application then we would welcome the opportunity to meet you and show you around our school. If you would like to arrange such a visit, then please call and ask for Mrs Angela Griffith, PA to the Headteacher (01432 357371) to arrange this, or to discuss the post over the phone with Mr Robertson, the Executive Headteacher.
