

PE Department

The PE department is an extremely experienced team of practitioners that strive to provide an inclusive PE experience for ALL; based around the high-quality PELE PE outcomes for *Participation, Engagement, Learning and Enjoyment*.

Our student-centred curriculum approach is designed to develop students across three core strands namely: physical skills, cognitive skills and social skills; creating a love for PE, developing skills and embedding knowledge. This is achieved through excellent teacher-student relationships, high levels of engagement, participation and enjoyment.

Student outcomes in PE are consistently strong and examination results are very good across both KS4 and KS5. At KS4 we offer the Level 2 BTEC Tech Award in Sport and at KS5 we offer the Level 3 National Diploma in Sport and Exercise Sciences.

We therefore are looking to appoint a dynamic, inspiring and enthusiastic teacher of PE to join our team on 'maternity cover'.

The successful candidate will be responsible for delivering KS3 and KS4 core PE lessons across a range of activities including netball, football, rugby, badminton, health and fitness and various other curriculum sports. In addition, the role involves supporting our extensive extra-curricular programme, including fixtures which includes sports such as netball, football, handball, rugby and many more.
