Teddington is a vibrant and academically successful school, offering a wide and balanced curriculum coupled with a rich and varied programme of extra-curricular activities, all supported by an outstanding pastoral system. We have a positive outlook and a 'can-do' approach amongst staff and students. A strong learning culture is evident because there is an acknowledgement that we are all learners, and we can all improve. **We were judged 'Good' by Ofsted in November 2021.**

We have a modern and attractive campus that overlooks the River Thames, and the site forms an extremely pleasant working environment. **Our school is a happy community with a calm and caring atmosphere**, with mutual respect between all members of the community, and the fundamental principle that teachers have the right to teach and students have the right to learn.

**We are proud to be part of The Bourne Education Trust (BET)** - a successful multi-academy, made up of nineteen schools (plus a further three associate schools), across primary, secondary and special education. BET continues to grow a community of like-minded academies with the highest aspiration and dedication to achieving the best outcomes for their learners. They understand that people are the key to success, and for this reason believe in creating great places to work where people feel supported and encouraged to be the best they can possibly be. **Staff within their schools can expect to be challenged and motivated to achieve their ambitions**, and such is the scale and scope of the Trust's school-to-school support work, successful candidates can expect to receive rapid promotion either through direct placement or via secondments from their home school.

If after having read the enclosed information, you decide that you wish to apply to become a member of our thriving and successful community, please complete an application form and submit your supporting statement by the given date.

If you wish to have an informal discussion about the post before applying, please feel free to contact our HR Officer on 020 8943 0033 or you can email [hrdepartment@teddingtonschool.org](mailto:hrdepartment@teddingtonschool.org)

# About Bourne Education Trust

Based in Surrey, Hampshire and Richmond, we deliver the very best educational experience for our pupils. It is responsible for the education of approximately 10,500 pupils and employs just over 1,300 staff. The Trust is organised into both phases and clusters to support specialist and cross-phase collaboration.

The size of its schools range from a one-form entry primary to an eight-form entry secondary school with a sixth form. Schools are equally important and carry the same influence in terms of decision-making within the Trust. Each school has its own head and local governing committee. The Trust is led by a team of 5 senior leaders who report to the CEO, Alex Russell.

Since 2012 it has taken 9 schools from special measures or requiring improvement to good or outstanding. The rest have maintained their good status whilst in the Trust. BET has transformed the finances in 12 of its schools so that no school in the Trust is in deficit.

BET's values are summarised by our strapline: **'Transforming schools; changing lives'**. We absolutely believe that all children regardless of context or background deserve a great education, hence our involvement in schools and communities that have not experienced this. Whilst we want our schools to retain their own identity, all BET schools share environments that are **extremely warm and welcoming, professional, relentlessly positive, highly aspirational and characterised by happy and safe pupils with excellent relationships between them and the staff**. In all classrooms and beyond pupils enjoy creative and effective teaching and learning that fosters belief and confidence.

Our philosophy is to have schools working as effectively as possible and serving their community. We err towards independence on the independence/standardisation continuum but never forget we are one organisation working together. Our schools welcome the support of the Trust and its collective ethos but relish their remit as local schools and the responsibility that brings. Where we have centralised, it has not been driven by us but by the legal framework in which we operate and the requirements of the Academy Trust Handbook.
