People Director  
£48-55k**

**North Yorkshire**

**Use your HR Skills to change Lives**

We are an ambitious Trust Partnership of primary and secondary schools, providing high quality education which improves the life chances of children and young people in North and West Yorkshire.

You are an ambitious HR professional looking for a dynamic leadership role where you can make your mark. Through your knowledge of workforce and organisational development you'll support strategic change across the Trust, equipping us for the future. You'll be in tune with our values as an organisation committed to widening educational opportunity for all.

With eight schools currently employing over 500 people, with plans to grow, we are looking for an individual who will bring an imaginative approach to HR practice to enable our school teams to thrive. Our new People Director will provide the professional leadership we need to help us recruit, develop, support and retain the people we need to succeed.
