Position: Peri Music Tutor (Self-employed)

I am delighted that you are interested in supporting our Academy as a Peri Music Tutor as your next career move. We are at an exciting stage on our improvement journey and this role is central to our aim of becoming a securely outstanding school.

Improving academic outcomes and driving standards is a central aim for all roles at the Academy even if you do not work directly with students as the work that we all do supports to ensure effective teaching and learning can take place. We are very proud that we are an inclusive, happy school where children feel safe and valued and we would expect the academy's core values of Honesty, Respect and Kindness and our motto, 'Proud to Learn' to be integral to your work.

I am a firm believer that the biggest impact on standards is the quality of teaching that a pupil receives. All of my staff and contractors including non-teachers must be talented, passionate, capable and aspirational. They must also be team players, committed to making a difference to our whole community, supporting each other, and doing whatever it takes to ensure our pupils reach their potential. I would expect you to share this passion.

We have pleasure in enclosing the accompanying pack in which you should find the following: -

I look forward to receiving your completed application and encourage you to make contact should you wish to discuss any aspect of this role beforehand.
