February 2021

Dear Candidate

Thank you very much for expressing an interest in the TLR post in the Physical Education Faculty at Hatch End High School. Owing to the current gender split in the department, this post is open to female candidates only.

We are looking for an energetic and creative female Teacher of Physical Education to develop their career as part of a strong and experienced team resulting in some very strong examination results at GCSE and OCR Applied Courses. Sports Leadership is a key component of our curriculum as is an extensive offer of clubs and after school fixtures. Both traditional and non-traditional sports are encouraged, although candidates should have strong experience in teaching dance, gymnastics and netball.

We have been fortunate to have had a new MUGA built and have recently had a substantial rebuild of the main block in the school. We will have a full-sized grass football pitch in September 2021 in addition to two existing gymnasiums and have access to the local Bannisters Athletics Track and Cedars Sports Centre (both within walking distance).

Hatch End High School is a warm, vibrant and stimulating place to work. We are a lead school in teacher training and regularly welcome many trainees. Continuing professional development is at the core of everything we do and you would be joining an organisation which believes that our teachers and middle leaders form the engine room of any school's success. All teachers are encouraged to pursue a wide range of professional development and we play a key role in a highly successful Teaching School Alliance. You would receive outstanding support from a dynamic Senior Leadership Team and be offered numerous opportunities to grow in the school's success.

Our website has comprehensive information on the many fantastic opportunities at the school I and would urge you to read this before applying. Application forms are available on our website www.hatchend.harrow.sch.uk together with the job description, person specification and more information on your career at Hatch End High School.

I very much look forward to reading your application.

Very best wishes.

Ms S Maguire
Headteacher
