

ABINGDON LEARNING TRUST

We are a friendly, caring and inclusive community:
Proud of our creativity - Passionate about learning - Keen to inspire
Valuing ourselves and each other - Determined to be the best that we can be

Physics Teacher & STEM Coordinator

Salary Grade: MPS/UPS (if post threshold) plus TLR2

Contract Type: Permanent

Closing Date: Monday 23rd May 2022 at 9am

Interview Date: ***Should a suitable candidate be identified before the closing date, the vacancy may be closed early.***

Start date: September 2022

We are looking for a Physics specialist who will enhance the STEM enrichment offer that we currently provide. Key objectives are:

- To coordinate the redevelopment and maintenance of our extra-curricular offering to provide students with opportunities of STEM clubs, competitions and visits. To include running a weekly or fortnightly extra-curricular STEM club.
- To create new partnerships and build on existing partnerships in order to raise the aspirations of our students through experiences.
- To work alongside the Director of Science and Senior Leaders to develop a coordinated approach across the Abingdon Science Partnership.
- To develop a STEM careers programme, which will embed careers information into our curriculum and provide students with further opportunities, including arranging talks from STEM professionals.
- To promote STEM qualifications and careers to underrepresented groups.

The Science Faculty at John Mason School is research informed and has developed a knowledge rich curriculum offer. The team are dedicated to the principle that, if taught well, all students can be academically successful. Leaders in the faculty work to ensure positive staff wellbeing and manageable workload.

The successful candidate will understand the principles of a knowledge rich curriculum and have an understanding of relevant areas of cognitive science.

The successful candidate will be:

- passionate about their subject; able to inspire and motivate students and staff.
- committed to ensuring all students reach their potential.
- disciplined able to work effectively as part of the team.
- a role model for our students and staff.
- committed to professional development

We will offer you:

- A comprehensive program of professional development
- The satisfaction of being part of a friendly, supportive and reflective team
- Well-resourced schemes of learning that will reduce workload
- Students who have a desire to achieve and respect the school's expectations.
- Excellent care and support for all staff.

If you would like more information about the faculty, email Andrew Stanger, Director of Science

Andrew.stanger@johnmason.oxon.sch.uk

An application pack is available from the John Mason School website or from recruitment@abingdonlearningtrust.org

CVs alone are not acceptable.
