Dear Sir or Madam

Thank you for your enquiry regarding the post of Post-16 Lead. This post is a wonderful opportunity to join our supportive and skilled team to shape and lead our overall Post-16 provision.

As a high performing, SEMH special school, which Ofsted judged as Outstanding in every area in November 2016, we are not remotely complacent. We are committed to ensuring that the quality of provision we offer to our students is consistently excellent. We believe that such sustained success is a team effort and every member of staff contributes to that level of excellence. We are a relatively small school, but we still have the highest expectations of all members of the school staff.

The purpose of this role is to shape and lead our overall Post-16 provision, including designing and creating a strategy and targets for reviewing and managing the success of the Post-16 provision, to nurture and develop a high-performing team, ensuring systems and operations are efficient, along with overseeing a safe purposeful environment with strong relationships both in school and externally.

Please note that this post is paid on the Leadership scale. This will attract the terms and conditions commensurate with a leadership position rather than those of a main scale teacher.

The closing date for this post has been extended to 1pm on Tuesday 9<sup>th</sup> March 2021. Applications should be handed to the HR Manager at Maplefields Academy or emailed to [mbason@maplefields.northants.sch.uk](mailto:mbason@maplefields.northants.sch.uk)

Interviews will be held the week beginning 15<sup>th</sup> March 2021, with a look to start in the position in September 2021 or sooner, if possible.

Maplefields Academy is an equal opportunities employer. We are committed to the safeguarding and welfare of our students and expect all staff to share this commitment. An enhanced disclosure from the Disclosure and Barring Service is required for all successful applicants

Yours sincerely

Miss J. Walker – Head Teacher
