Wyndham Park Infants' Schools and St. Mark's C of E Junior School which work together as one primary learning collaboration are seeking a teacher to work in EYFS or KS1. The schools became academies in January 2015, as part of the Somerset Road Education Trust: a unique collaborative multi-academy trust, formed in partnership with Wyndham Park Infants' School, St Mark's C of E Junior School and Exeter House School who share a campus. The successful applicant will be employed by the Trust – joining a staff of over two hundred.

Since September 2019 Wyndham Park Infants' School and St. Mark's C of E Junior School have worked closely together as a [Primary Learning Collaboration](#). Wyndham Park has 252 children on roll and St. Mark's C of E Junior School has 362 children on roll, which provides significant opportunities for professional development across our twenty-one primary classes.

We are seeking to appoint a talented and enthusiastic class teacher to join our friendly and dedicated team, with specific expertise or interest in EYFS or KS1. Within our schools we are committed to the education and wellbeing of each and every child, and we take pride in the schools' positive and caring culture.

We are looking for someone who:

- Is committed to being an excellent classroom practitioner.
- Is highly motivated, adaptable and enthusiastic and passionate about education.
- Recognises that each day matters to every child.
- Works effectively as a member of a team and is committed to inclusion.
- Demonstrates creativity in their approach to teaching and learning.
- Can build strong relationships with staff, children and parents.

We can offer you:

- Amazing, well behaved children who have excellent attitudes to life and learning.
- A positive family of experienced colleagues who will support and challenge you.
- A unique opportunity to work in either school where everyone is valued equally.
- Continuing Professional Development including opportunities within both schools and across the trust.
- Excellent opportunities to develop and broaden your experiences and opportunities.

We welcome applications from newly qualified teachers and can offer a comprehensive programme of support as part of the early career training framework.
