Welcome from John Winter CEO of Weydon Multi Academy Trust

John Winter
CEO
WMAT

Core values
"Aspiration and Ambition for all, trusting relationships, restlessness in the pursuit of being better, positive and inspiring, people focused"

As CEO of the Weydon Multi Academy Trust (WMAT) I am delighted in your interest in applying for this important role in our organisation. Our Trust was formed in April 2017; it resulted as a consequence of a group of local Headteachers wanting to work together to create even better opportunities for their students and staff.

We are currently seven schools, three special schools and four secondaries within the Farnham and Haslemere area.

As a Trust, we are very positive about the difference we are making. As individual schools it is important that we retain the local context and identity of our unique academies, however, we are 'Stronger Together' and joining one of the academies means that you will also have the benefit of working with colleagues across the MAT. The benefits of working together and the support that you will receive will ensure that, in your career with WMAT, you will develop not only the children you teach but also yourself and colleagues.

Our ambition is clear; to make WMAT a Trust that is outstanding both for the students that learn here and also for the staff that work in our Trust.

Our academies are either over subscribed or growing; a glowing endorsement of our success.

Thank you for your interest in this position. I love being part of our Trust. I am inspired by the brilliant people I work with. Why not make an application to be part of a really positive organisation?

I am very much looking forward to meeting and working with you.
