

Maharishi Free School wishes to appoint an outstanding primary phase PPA teacher

Part time (3 days), permanent

Start date: as soon as possible

Maharishi Free School is situated in West Lancashire, north-west England in proximity to both Liverpool and Greater Manchester.

It is a wonderful place to be – a dynamic learning environment combined with a harmonious atmosphere where children aged from 4 – 16 receive the uniquely effective system of Consciousness-based Education. The school is built over two sites, primary and secondary, each with a Deputy Head and a headteacher overseeing both phases.

Creativity and intelligence are systematically developed with a few minutes of Transcendental Meditation (TM) at the beginning and end of the school day. Scientific research – based upon more than 200 studies – has shown that the experience of restful alertness during TM brings balance to the whole physiology, making learning both enjoyable and successful.

We can offer you:

An opportunity to join a school with a very strong, shared and uniquely effective ethos which forms the basis of its success – Consciousness-based Education

Full onsite support for developing your understanding and practice of Consciousness-based Education

Great staff and a harmonious working environment – where exceptionally high dedication is the norm and staff turnover is rare

A through-school with an excellent reputation and small class sizes (20 pupils per class)

A school graded 'Good' by OFSTED whose focus is on the holistic development of the students

We are seeking a candidate who will:

- Be an inspirational and creative teacher with the ability to motivate all children to achieve their best
- Adapt teaching to respond to the strengths and needs of pupils
- Set high expectations which inspire, motivate and challenge pupils
- Show commitment, reliability and flexibility in responding to the child's needs
- Work both independently and collaboratively as part of a team
- Take responsibility as subject lead for at least one curriculum area (TBC)
- Liaise with the secondary subject lead counterpart to ensure high quality progression from the primary to the secondary phase

Applications will remain open until the position is filled

To apply, please visit our website, download an Application Form, and submit along with a covering letter, of no more than 2 pages of A4, describing how you meet the above requirements, and the Person Specification and Job Description.
