## **Primary Sport & Enrichment Lead Teacher**

I am delighted that you are interested in applying for the above post at Alec Reed Academy as your next career move. We are at an exciting stage on our improvement journey and this role is central to our aim of becoming a securely outstanding school.

Improving academic outcomes and driving standards would be central to your work but we also expect our teachers to have a measurable impact on the personal development and life chances of the rich and diverse community that we serve. With this in mind, it is important that you are committed to nurturing students through the wider curriculum, providing them with activities and opportunities that prepare them fully for adulthood and provide them with the wisdom and independence to make the right choices and lead happy, fulfilled lives. We are very proud that we are an inclusive, happy school where children feel safe and valued and we would expect the academy's core values of Honesty, Respect and Kindness and our motto, 'Proud to Learn' to be integral to your work.

I am a firm believer that the biggest impact on standards is the quality of teaching that a pupil receives. My staff must be talented and passionate, capable of creating an enviable learning environment where traditional values, high expectations, aspirations, and creative curiosity underpin our pursuit of excellence. They must also be team players, committed to making a difference to our whole community, supporting each other, and doing whatever it takes to ensure our students reach their potential. I would expect you share this passion, be an outstanding practitioner and an ambassador for high quality teaching and learning with the enthusiasm to motivate others in the excellent practice of indoor and outdoor teaching of PE and supporting the provision of enrichment activities.

The Academy is a great place to work and has excellent transport routes both into London and the outer suburbs. We are an outer London school but with inner London pay and offer a Teachers Pension, free on-site parking, free use of the gym, subsidised meals and family friendly policies including generous dependents entitlement.

This position is to start in September 2021 however we are willing to wait until January 2022 for the right candidate.

We have pleasure in enclosing the accompanying pack in which you should find the following: -
