Get in to teaching to make a real difference?

Feel like you want to be supported to be an inspirational teacher?

We are looking for a Primary Teacher to join our team and make a real and lasting difference to our students. Teaching of core subjects is a vital part of the work we do and we seek professionals who are keen to demonstrate their excellent teaching expertise.

We are amazed every day by what our students are capable of and are very proud of the difference we make to so many young people.

It can be challenging at times and working here isn't for everyone. However, with a staff ratio of 1:3 and a supportive management team the opportunity to effect real change and witness rapid progress is significant.

Working at the Hooper Lane School may not be quite what you think and we would welcome visits so we can showcase our students to you.
