Are you the sort of teacher who could inspire a child to write to a global company to stop the use of palm oil? Could you support children to understand local issues such as litter on the streets? Can you promote entrepreneurial skills when developing an enterprise project?

Welcome to the beginning of an exciting adventure for you at Fairfield Primary Academy. Children are at the heart of everything we do. We want them to be excited by the curriculum, challenged to achieve their full potential and to SHINE.

We celebrate diverse talents, skills and interests within our school community and we look forward to inviting candidates to contribute new ideas and experiences to our team. We are particularly keen to hear from teachers who are passionate about making a difference to each child through our knowledge-engaged SHINE curriculum. You will be prepared to go the extra mile and have the ability to make learning purposeful, fun and engaging.

At Fairfield you will benefit from being part of a very committed and dedicated team who support each other, laugh in the staffroom and strive to do the best for our community!

Spencer Trust academies share an ambition to deliver results that compete with the very highest performing schools in the country, and deliver a curriculum for students that is underpinned by breadth, opportunity and quality: one that seeks to give young people the opportunity to develop into well rounded global citizens that believe they can influence positive change in the world.

Mission

Our Mission is to deliver the best possible outcomes for children and young people.

Vision

Spencer Academies Trust is an exceptional Trust, providing an outstanding education for local children.

We Believe:

- All children have a right to a quality education regardless of background or ability, and have an entitlement to the opportunity of a secure progression route in their learning and development.
- Schools are stronger when they work in collaboration with each other, operate within a 'family' and are open to a true sense of partnership.
- We grow the effectiveness and sustainability of our schools by developing the people within them, and that through shared and equitable responsibility for quality and outcomes; we achieve more.

Applicants would be expected to share the Trust's high aspirations and expectations for pupils and staff and have demonstrable evidence of driving teaching and learning outcomes in the primary phase.
