Wave Multi Academy Trust (MAT)

We are committed to progressing the social, emotional and academic outcomes for all of our students to enable them to achieve their true potential.

Our Vision is to significantly change student lives for the better.

What are your values?

We believe that our values, as a MAT, empower our young people to succeed, these values are at the core of everything we do and embody what we are looking for when we seek new staff.

We are looking to appoint an outstanding and committed Primary Teacher who embodies our Trust values; someone who has diverse experience, as well as a passion for working with young people with additional needs.

Our ideal candidate will have excellent teamwork and communication skills, the ability and enthusiasm to make a difference with students who have a range of needs.

Wave MAT is dedicated to the safeguarding of children and Safer Recruitment Procedures will be followed. The position requires a satisfactory enhanced DBS check.
