

Primary Teaching Assistant KS1/KS2

Reach Academy Feltham

Welcome,

We're delighted to be the co-headteachers of **Reach Academy Feltham**, an all-through school that is dedicated to achieving its vision that:

every single pupil will leave us with the skills, attributes and academic qualifications to go on to enjoy lives of choice and opportunity

At Reach Academy Feltham we believe it is impossible to teach to high standards unless the teacher knows the children, both personally and academically. By keeping the school small, we believe it can create a community where no pupil is left behind, providing every student with the opportunity to achieve academic success.

About us

Reach Schools

Reach Schools

Reach Schools is the (new) name of our multi-academy trust. It belongs to a wider ecosystem of organisations based in Feltham that work to incubate ideas and improve outcomes for our community in Feltham—and beyond.

Reach Schools works in partnership with the **Reach Children's Hub** to *deepen* our impact in Feltham and the **Reach Foundation** to *expand* the national impact of our pioneering work.

The following pages provide a quick overview of our schools and some related activities.

Further information about Reach Schools' evolution can be [found here](#).

Reach Academy Feltham

est. 2012

Our first all-through school.

We've created a community of pupils, parents and teachers united by the highest expectations of what every young person can achieve *and* the commitment to do whatever it takes to help them get there.

Feltham College

est. 2022

Our pioneering sixth-form college.

Reach College is the the first sixth-form college in the country to be founded by a partnership of education, business, and health service providers whose sole focus is broadening choices and opportunities for young people in Feltham.

Reach Academy Hanworth Park

est. 2024

Our new all-through school.

Opening in September 2024, Reach Academy Hanworth Park will serve 1,080 pupils in Feltham; located on a site adjacent to Reach Academy Feltham.

Reach Training

In addition to running our three schools in Feltham, Reach Schools provides **Initial Teacher Training** (in partnership with SWTT), **Teaching Internships** and an expanding suite of **Foundation Degrees**.

Reach Children's Hub

Early in the development of Reach Academy Feltham, we realised that a great school was necessary but not sufficient to ensure that *every* child in Feltham could enjoy a life of choice and opportunity.

We found that many of our students required deeper and more wide-ranging support than a school is typically able to provide.

In 2018, we set up the Reach Children's Hub to provide an integrated pipeline of support for local children and families to complement the work of the school.

Informed by international evidence and local experiences, our Hub creates space to curate insights and accelerate real change. The Hub's provision, then, is ever-evolving; responding to the community's needs.

In partnership with a wide-range of partners, the Hub currently provides perinatal support, early years workforce training and development, parenting programmes, community organising, careers support and much, much more.

Reach Foundation

The Reach Foundation works in partnership with schools, trusts and related organisations around the country to develop and deliver integrated pipelines of cradle-to-career support, grounded in great schools.

At present, the Foundation is focusing its efforts on:

- **Building partnerships** with all-through schools and trusts to curate insights and accelerate change by facilitating peer-to-peer learning and sharing our insights with schools and policymakers nationwide.
- **Developing school and trust leaders** with the capacity to catalyse and sustain the transformational change their communities desire. The Foundation delivers highly-focused leadership programmes to ensure these leaders possess the knowledge, agency and relationships to affect systems change.

Safer recruitment

Reach Academy is committed to safeguarding and promoting the welfare of children and young people. In order to meet this responsibility all candidates will be subjected to a rigorous selection process to discourage and screen out unsuitable applicants. This process is outlined below. Please do not hesitate to contact the school if further detail is required.

Disclosure

This post is classified as having substantial access to children, and appointment is subject to an enhanced police check of previous criminal convictions (DBS). Applicants are required, before appointment, to disclose any conviction, caution or binding over including 'spent convictions' under the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (2013 and 2020). Non-disclosure may lead to termination of employment. However, disclosure of a criminal background will not necessarily debar individuals from employment – this will depend upon the nature of the offence(s) and when they occurred.

The amendments to the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (2013 and 2020) provides that when applying for certain jobs and activities, certain convictions and cautions are considered 'protected'. This means that they do not need to be disclosed to employers, and if they are disclosed, employers cannot take them into account. Guidance about whether a conviction or caution should be disclosed can be found on the Ministry of Justice website.

Interview

Candidates will be subject to an in-depth, in-person interview and assessment, along with a telephone interview in some circumstances. At each stage of the process, candidates will be asked to address any discrepancies, anomalies or gaps in their application form or arising from information gained at the previous stage of the recruitment process.

Reference checking

References from previous and current employers will be taken up for shortlisted candidates before interview and, where necessary, employers may be contacted to gather further information or address any discrepancies, anomalies or gaps in the reference provided.

Online searches

Keeping Children Safe in Education (KCSIE) asks schools to carry out online searches on shortlisted candidates as part of the process of assessing suitability.

Probation

All new staff will be subject to a probation period (which may, in certain circumstances, be extended). The probation period is a trial period, to enable the assessment of an employee's suitability for the job for which they have been employed. It provides Reach Academy with the opportunity to monitor and review the performance of new staff in relation to various areas, but also in terms of their commitment to safeguarding and relationships with pupils.

Equal opportunities

Reach Academy is dedicated to providing equal opportunities and will monitor the recruitment process rigorously to ensure fair access and opportunity for all.

Reach Academy is committed to ensuring our workforce is reflective of our diverse student population and is therefore committed to increasing representation of staff of Black, Asian and Minority Ethnic backgrounds across all roles and at all levels.
