CURRICULUM

Our curriculum emphasises the importance of intellectual study and focuses on traditional learning. We believe that this will best equip our pupils for the pathways that lead to university, the professions and success in whatever career they eventually choose. We are determined that our pupils will compete on equal terms with pupils coming from the most privileged circumstances. We provide them with an academic, but rounded, education that gives them the best possible chance to succeed.

There are five key strands to the overall curriculum:

1. Academic excellence
2. Character development
3. Service to communities
4. Underpinning faith ethos and STAR values
5. Overarching leadership specialism

There is an unashamedly academically focused subject driven knowledge rich curriculum for the vast majority of pupils (e.g. 90% EBacc uptake). This model is based on the driving principle of the highest ambition and expectations of pupils regardless of background that will lead to transforming their life chances.

LEADERSHIP SPECIALISM

Our leadership specialism provides our pupils with a variety of enjoyable and engaging learning experiences. Programmes in sports, creative arts and social enterprise build character and provide opportunities for making a difference in the local community. These programmes are supplemented by enrichment opportunities – Leadership Academies – aimed at developing key leadership skills and specific interests and talents. All of our Leadership initiatives promote our Star values of service, teamwork, ambition and respect and equip our pupils with the skills and confidence to take on more responsibilities as they get older.

ABOUT STAR ACADEMIES

Star Academies is a mixed Multi-Academy Trust that runs a diverse network of primary and secondary schools. We are a values-based organisation, committed to enhancing social mobility. All our efforts are geared towards raising the aspirations of children and young people in areas of social and economic deprivation to improve their life chances and help them succeed at the highest levels of education, employment and the professions.

Star Academies is one of the country's leading education providers, and our schools promote excellence in everything they do. In every school, the entire staff team – working in partnership with parents and the local community – is committed to nurturing today's young people and inspiring tomorrow's leaders.

Our schools work together as Star Partnerships in five cluster areas – Lancashire, Greater Manchester, West Yorkshire, the Midlands and London. Schools within the Partnerships collaborate to share expertise and maximise opportunities and experiences for our pupils.

Star Academies employs the very best staff and invests heavily in their continuing professional development. Staff benefit from an extensive range of nationally accredited training provided by Star Institute. Star also offers a range of rewards and benefits, including competitive salaries and pension schemes, generous holiday entitlements and healthcare cash plans.

DRIVING SOCIAL MOBILITY

Our schools are situated in some of the country's most deprived areas. Whether they are in deprived parts of thriving cities, coastal towns and rural villages, we don't let the places our pupils live get in the way and stop them achieving stellar outcomes.

We want our pupils to reach for the stars and believe that anything is possible if they are willing to work hard. We're not in the business of giving them false hope though. Our outcomes speak for themselves. We have pupils who arrive at primary school, living in poverty and with no prior knowledge of English, who go on to achieve a full house of GCSE Grade 9s and then to study at world-class universities or take up top-flight apprenticeships.

If you are passionate about closing the gap and believe young people shouldn't be limited by their circumstances or starting points - if you share our vision of a country of opportunity and you believe in the power of a knowledge-based education to transform opportunities and elevate the social and economic profile of a whole community - there could be a place for you at Star.

BRINGING OUT THE STARS

All our schools have a leadership specialism. We bring out the leader in every pupil, from their first day at primary school to the day they leave sixth form. Our pupils are award-winning entrepreneurs, junior athletes competing for their country, prolific charity campaigners and some of the country's best scholars. They are innovative scientists, skilled technicians, thought-provoking poets, performers, artists and everything in between.

Joining Star means joining an organisation that makes young people believe not only in themselves, but in a better and brighter future for the world around them.

VALUING HARD WORK

We make no apologies for the fact that we expect our pupils and staff to work hard; we wouldn't be able to achieve such consistently high results if they didn't. However, we make sure that every individual's hard work is valued, that their efforts are appreciated, and that they can see how their personal contributions are helping change young people's lives.

ENGAGING IN SOCIAL GOOD

Our Star-wide commitment to service empowers everyone in our organisation to give something back and make a positive impact in the community. Our Shine Charity helps pupils, staff and their families get involved with civic and charitable projects that tackle issues ranging from poverty to loneliness.

Our staff and pupils work together to run food banks, help local conservation projects and participate in clean-up operations. We volunteer at local homeless shelters and soup kitchens. We visit care homes and hospitals to bring some cheer into the lives of elderly people and those who are unwell. Our Star Winter Gift Programme is a unique national programme that aims to bring joy to thousands of people over the festive season.

Collectively, our schools have raised over £1,000,000 for charity.

DEMONSTRATING SERVANT LEADERSHIP

Our leaders put their teams first. They take time to build trust and they keep the wellbeing of their staff in mind in everything they do. They clear the obstacles that get in the way and do everything they can to enable their staff to shine.

BEING STRONGER IN OUR DIVERSITY

Star is a global community and we pride ourselves on our diversity. Our pupils and staff come from all over the world, our schools are located in every corner of the country, and the people we employ come from every part of society. We have faith and non-faith schools across all phases and our staff and pupils benefit from partnerships that encourage them to befriend people from other backgrounds, beliefs and cultures. We are a community founded on the principle of meritocracy and the desire to bring together the very best people to transform our country's educational landscape.

WE ARE TRANSFORMATIONAL

BEING A LEARNING ORGANISATION

We are a high-performing organisation, but we never rest on our laurels or take our success for granted. We are restless, always learning from our experiences – good and bad – and always on the lookout for new ideas to try in our constant quest for improvement. We don't believe that any one individual – however senior in the organisation – has a monopoly of wisdom. Some of the best ideas come from the most junior staff.

GROWING OUR OWN

We are committed to developing the next generation of teachers, managers and leaders in our own schools and throughout the school system. We offer clearly-defined pathways to success for teaching and non-teaching staff alike. We aim to create an environment where all our staff can grow and succeed. Star Institute, our training and development arm, was set up specifically to champion the professional and personal development of our workforce. The Institute offers a range of accredited CPD opportunities, nationally-recognised qualifications and coaching programmes for staff at all levels and from all disciplines, ranging from apprenticeships to national leadership qualifications.

EMPLOYING INSTRUCTIONAL LEADERS

At Star, we lead by example. Our leaders position themselves on the front line. They are visible and accessible to their staff. They roll their sleeves up and get involved in the hard graft that's needed to deliver outstanding outcomes. They work hard to earn the respect of their staff and do all they can to make their jobs easier - not harder. They willingly share their skills and expertise with their staff. Every manager is a coach, dedicated to enabling others to thrive.

COLLABORATING, SHARING AND SUPPORTING

Collaboration is at the heart of the Star model. It is by people working together, with each individual bringing their unique skills and perspectives, that organisations thrive. Leadership is shared as we work for and with each other.

Star creates an environment where sharing and mutual support come naturally. Our staff are instrumental in the development of Star-wide policies and procedures. Trust-wide learning and management groups provide opportunities for schools to come together to discuss, develop and refine the approaches and delivery plans for every aspect of our provision. From subject strategies to safeguarding, finance to estate management, we tap into our staff's collective expertise to ensure our plans - and our solutions - are practical, logical and optimal.

BEING JUST THE RIGHT SIZE

When you work for a large national organisation with multiple campuses, it is easy to feel like you are just a cog in the machine and that your contributions are negligible in the big scheme of things. Star is big enough to give you room to grow and progress, but small enough to remember what makes you special.

ENCOURAGING FAST TRACK CAREER PROGRESSION

At Star, we create a climate where talented, high-potential individuals are able to scale great heights. Our high quality, bespoke learning and mentoring programme provides a ladder to success. Our most promising staff are fast-tracked into leadership and management positions as part of our Star Talent Initiative.

WE ARE ONE

UNITING BEHIND OUR STAR VALUES

In order to achieve the aspirational standards we set ourselves, we act as one organisation – an organisation where the whole is greater than the sum of its parts. Our Star values of service, teamwork, ambition and respect underpin everything that we do. They are shared by everyone in our schools and our central team. We expect our staff to model our Star values and our pupils to act as ambassadors for our Star behaviours by serving the local community, working well together, aspiring to excel in all that they do, and treating others as they wish to be treated.

SHARING A MORAL PURPOSE

Anyone with experience in the education sector knows that it isn't an easy profession, but we are bolstered by the knowledge that what we do is worthwhile. We aren't just finding our own purpose - we are helping young people to discover theirs too. There are times when it feels like an uphill struggle, but we don't give up, because every day - in some small way - we are changing lives for the better. We are working tirelessly to eradicate social inequalities and break down barriers to learning. By levelling the playing field and giving disadvantaged young people, their families and communities a fighting chance, we are playing our part in enhancing social mobility. This makes us proud.

FILLING OUR ORGANISATION WITH STAR TALENT

In order to achieve excellence in everything we do, we need people who are exceptional in their field and who are driven to go the extra mile. We have a rigorous recruitment process because we want to make sure that we find the right people - people who share our values and who want to be the very best they can, whatever their discipline or background. Our roles may be varied and wide-ranging, but everyone shares one common characteristic – they are talented at what they do.

BEING DRIVEN BY THE PURSUIT OF EXCELLENCE

Nobody achieves success overnight, and every experienced leader knows that while you can plan for every eventuality, plans alone are not enough. Every school has plans that cover every area of school life, but it's how we deliver those plans that sets Star apart. We are characterised by attention to detail, a constant quest to do things better and a belief that there's always more to learn. That's the only way we can ensure every pupil is achieving their potential. Success lies in the quality of the learning materials and the resources we produce, in our relentless drive to ensure that every lesson is good or outstanding and in our commitment to operational excellence. Our staff strive for excellence in everything they do and go above and beyond the call of duty to make our vision a reality.

CELEBRATING SUCCESS

At Star, we celebrate the marginal gains as much as the monumental ones. Every small breakthrough is a step on the path to success. As in so many areas of life, most of our major successes are built on a series of small achievements along the way. We never lose sight of this. Whatever their role, we praise our staff for a job well done. We take stock of our day-to-day accomplishments and celebrate them.

Our STARS scheme and the annual Star Awards are designed to recognise individuals who go the extra mile. They bring everyone together to celebrate the role we collectively play in transforming futures. We take genuine pleasure in our progress, as individuals and as an organisation.

TAKING PRIDE IN BEING ONE FAMILY

Star is a vibrant, dynamic family where life-long friendships are forged, professional relationships flourish, and people treat each other with respect, kindness and good humour. We wholeheartedly believe that success is the result of teamwork, and teamwork depends on us supporting each other – not just when it's convenient, but when it really counts. We want all our people to love their job, to love the people they work with and to love being a part of Star.
