

## Job Description for the Post of Procurement Specialist

---

### ***Job Purpose:***

To carry out duties within the Procurement Team, providing commercial and analytical support to ensure the smooth and efficient running of the Team. Contribute towards effective delivery of the Procurement Strategy. Particular focus on supplier relationship management and compliance reporting as well as the Team's internal processes. Assistance in delivering a high-quality, value-added procurement service.

### **Functional Links**

The post holder will liaise with College and School staff; suppliers and public sector buying organisations and other Trusts and maintain the highest standards of the Trust.

### **Reporting Relationships**

The Procurement Specialist will report to the Procurement & Contracts Manager (Core Categories). The Procurement Specialist will also have regular meetings with the Head of Procurement.

### ***Key Responsibilities:***

#### **Procurement Specialist**

1. Manage supplier relationships by supporting the implementation of SLAs and KPIs by holding and scheduling face to face review meetings on a regular basis.
2. Leading regular governance review meetings with strategic suppliers to review supplier performance against contract, including SLA performance, cost reductions, continuous improvement opportunities and quality of service.
3. To be responsible for ensuring supplier invoice queries are kept to a minimum by meeting and discussing issues with suppliers regularly for future resolution.
4. To effectively report on and drive supplier database reduction for better value for money and compliance across the estate.
5. Manage and lead on end-to-end above and below Threshold RFQ's, Tenders and Benchmarking exercises from understanding the need to evaluation and outcome reporting. Manage the spend across these contracts via the e-tendering platform to advise the team of change notices that may be required.
6. Issue and be aware of the relevant and compliant notices via the e-tendering portal in line with the Procurement Act 2023 – must possess detailed working knowledge of the PA23.
7. To work with the Procurement & Contracts Managers to co-ordinate market engagement events and market research activities.
8. To support the Procurement & Contracts Manager with reporting and data analysis to share pipelines and identify potential cost savings opportunities and trends.
9. To proactively utilise the contract management system to report on missing and redundant information. Liaising with internal stakeholders where necessary.
10. Responsible for purchase order scheduling and placement for all core categories.
11. Ownership of the utilities category driving positive changes leading to better efficiency, compliance and cost effectiveness.

## Other duties

12. To work both as part of a team or to work independently taking ownership of assignments.
13. Prioritise workload to achieve own and team goals
14. To maintain information in a confidential, accurate and coherent manner
15. To demonstrate a commitment to safeguarding children and vulnerable adults
16. To carry out all duties in accordance with OHCAT policies
17. To carry out other such similar duties that may be reasonably required.

## ***Additional notes***

- Job Descriptions are to be reviewed annually
- The responsibilities listed above are the essentials of the post; it is always open to the postholder to propose ways of extending these responsibilities
