‘Our vision is for Temple Learning Academy to be an exceptional, innovative community offering memorable lifelong learning experiences to enable all to achieve their full potential.’

Temple Learning Academy first opened to Reception pupils in 2015. We now have c.800 pupils in all year groups from ages 4-16. We are delighted to present this superb new opportunity to lead and develop the maths curriculum working with the Head of Maths & Computing and alongside another Maths Programme Leader. We are wishing to recruit an experienced Maths teacher, who is either: already operating at middle-management level and wanting a new, exciting challenge, or who wants the next step opportunity with ideally experience of enabling improvements and leading others, and is motivated by working as part of a team in an all-through academy. We are ambitious for change, and our vision is to build a world-class all-through school that serves its local community.

The initiatives and opportunities provided through working closely with the Yorkshire Ridings Maths Hub have fuelled the department's drive to have a progressive approach to maths teaching.

What can we offer you?

- ✓ An overarching ethos of equality, celebration of diversity and a belief in the individuality and unique potential of each child
- ✓ Highly rewarding relationships with pupils and their parents/carers
- ✓ The opportunity to teach to teach and lead both across the ability spectrum and to the full extents of the maths curriculum in an all through school
- ✓ An exciting place to work
- ✓ A supportive, team orientated culture offering a wide range of wellbeing initiatives
- ✓ Opportunities to support, guide and mentor our staff including trainee teachers
- ✓ Ongoing opportunities for personal growth and development across the school and wider Trust
