RAISING ACHIEVEMENT AND PROGRESS CO-ORDINATOR: COMPUTER SCIENCE

MPR + TLR 2c (£3189) with leadership of computing in Years 7-9

Required 1st January 2022

Moulsham High School is a high performing comprehensive school. 'Behaviour is calm, and the atmosphere is productive and positive, making it a nice place to be' (Ofsted 2020). Leaders have a genuine commitment to the well-being and development of all staff.

We are looking for an experienced, inspiring computer science specialist, with a commitment to continuing professional development, to join our computing team. You will be required to teach computer science up to and including A Level. Computing is a highly valued part of the school's curriculum and examination results are strong. Facilities are regularly updated to incorporate the latest operating systems and there is a firm commitment to embracing new technologies.

The successful candidate will also be accountable for the progress made by students in computing across Years 7-9. This post is an excellent platform for further promotion.

Visits to the school prior to application are most welcome and should be arranged using the contact details below.

Closing date: Monday, 18th October 2021 at 9am
