START DATE:

January 2022

*Do you want to be part of a school community on a journey from good to outstanding?
Do you want to make a difference to outcomes for all students?*

We are looking to appoint an enthusiastic and passionate RE teacher to join our highly motivated and hard-working team. You should be an excellent classroom practitioner and have students at the heart of your decision making. You must have a confident understanding of the RE curriculum. We are looking for somebody who is creative and dynamic in the classroom and is able to engage a wide range of students. This role is also suitable for an ECT, who will benefit from a comprehensive range of support and guidance.

GCSE RE has become an increasingly popular option choice for the past three years, with 6 GCSE option classes currently running in Year 9-11 in 2021-22. Student outcomes at GCSE have increased from 66% to 83% since 2018 and we anticipate this continuing to rise in future years.

If you would like work in a vibrant and progressive environment, we would love to hear from you. You will join a committed, successful and supportive team.

This is an excellent opportunity to join a successful secondary school which is 'where teachers and leaders at all levels are enthusiastic and ambitious' (Ofsted 2017).

The successful candidate will:

- Be committed to comprehensive education
- Have students at the heart of what drives their decision making
